Horoscope by Linda C. Black

TODAY'S BIRTHDAY (March 1) You love pretty things, this year more than ever. Should you feel guilty about it? Not if you can pay the bills. This could be your best chance in years to get your place fixed up right. If you shop wisely, you can have the best. But elbow grease and budgeting are also required. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) Today is a 6 - You're going into a practical phase. You're more interested in shopping for bargains. If you want to make money, buy something you can sell at a profit. TAURUS (April 20-May 20) Today is a 6 - Maybe you could get all your work done if more didn't keep coming in. You like this, remember? But you'll be able to pay all your bills and put money in the bank, so no complaining. GEMINI (May 21-June 21) Today is a 7 - You're not very interested in working, but you'd better pretend you are. You're not invisible, you know. Start your romantic weekend ASAP. Tonight could be magical. CANCER (June 22-July 22) Today is a 6 - You'll grow more confident in the coming months, more decisive and more effective. Self-doubts you've had will fade away. Meanwhile, talk with a practical friend about changes you're making at home. LEO (July 23-Aug. 22) Today is a 6 - You're able to learn quickly now. Somebody's about to ask you some difficult questions. You always like to be the best at everything, so study!
