**Horoscope by Linda C. Black**  
TODAY'S BIRTHDAY (March 4). Be careful about mixing business with pleasure this year. You could miss a chance for a nice promotion if you goof around too much. You'll make a better impression, and possibly more money, if you play by the rules. Don't worry, there'll be lots of time for love.  
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.  
ARIES (March 21-April 19) - Today is a 6 - What will you do with all the money you've saved? Take a trip? Go to school? To motivate yourself to stick to the budget you've set, promise yourself a juicy reward.  
TAURUS (April 20-May 20) - Today is a 7 - Get together with your partner and go over the figures again. You should be able to get most of what you want. If you decide to do without something you had your heart set on, don't fret. This is not forever.  
GEMINI (May 21-June 21) - Today is a 6 - Reality is messing with your fantasies. There's plenty of money to be made, but you'd rather be playing outside. Can you get someone to cover for you so that you can take a long lunch?  
CANCER (June 22-July 22) - Today is an 8 - This starts out as a play day, but it won't be long before you have to get serious again. You've got the work, and you sure can use the money, so hustle!  
LEO (July 23-Aug. 22) - Today is a 7 - Is there any way you can relax and let others fuss over you? That may interfere with your work schedule, but it sure would be nice. Some of them might like to do it, too - for a price.  
VIRGO (Aug. 23-Sept. 22) - Today is a 7 - A little more planning is required before you start moving things around. Not that everything will go according to plan, of course. Better devise a Plan B while you're at it.  
LIBRA (Sept. 23-Oct 22) - Today is a 7 - There's money to be made if you can concentrate. It won't be all that hard once you get into it, but you'll have to minimize distractions. Promise them your full attention later.  
SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - You don't have to know how to fix a mechanical breakdown; you just need to know how to find someone who can. The smoother this operation goes, the better you look.  
SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - You're still not quite your bubbly, vivacious old self. You're more into thinking deep thoughts than kidding around with your friends.  
CAPRICORN (Dec. 22-Jan. 19) - Today is an 8 - Shortages of this or that just make the game more interesting. You know you'll be fine, though you may have to figure out how.  
AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - The lecture you've had to endure will be over soon. Accept more responsibility if it's offered. Then, relax. Tonight or tomorrow, get together with friends, and finally speak freely.  
PISCES (Feb. 19-March 20) - Today is an 8 - Get ready to answer tough questions. It's OK if you don't get everything right. You'll get extra points for your obvious intention to succeed.
