### Horoscope by Linda C. Black

**TODAY'S BIRTHDAY (March 5).** Should you invest all of your time and talent at work, or spend it on projects at home? That's one of the big dilemmas you're facing this year. The answer? Everything in moderation. A risky proposition probably won't pay off. A gentle romance could. A difficult household task is a pain, but immensely satisfying when complete.  
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.  
**ARIES (March 21-April 19)** - Today is a 7 - Make an investment in something for yourself. Put money down on that cruise, or new bike, or new car. If you don't have that much to spend, how about dinner?  
**TAURUS (April 20-May 20)** - Today is a 6 - If in doubt, don't. If your intuition is trying to tell you something, listen. If you feel the urge to step aside and let the rats race right on by, do that. It's wise not to play in the traffic.  
**GEMINI (May 21-June 21)** - Today is a 6 - Instead of snapping at an irritating person, practice your deep-breathing exercises. The irritating person may be right.  
**CANCER (June 22-July 22)** - Today is a 7 - Better pack a lunch. There may not be time to go out. Put travel plans on hold, too. Simplify your schedule as much as you can. If something goes wrong, you'll need time to fix it.  
**LEO (July 23-Aug. 22)** - Today is a 7 - If your love life is encountering difficulty, maybe you need more time to talk. Pencil that into your schedule for Sunday. Meanwhile, listen.  
**VIRGO (Aug. 23-Sept. 22)** - Today is a 6 - Out with the old, in with the new. You're in the mood

to seriously clean house. Don't toss out something your mate wants to keep, or there'll be trouble.  
**LIBRA (Sept. 23-Oct. 22)** - Today is a 7 - New complications arise, blasting your schedule to bits. Send out messages to let people know if something you promised will be late. New information may convince you that a change is required. Stay flexible.  
**SCORPIO (Oct. 23-Nov. 21)** - Today is a 6 - Don't pour money down a rat hole. Keep close tabs on the job to determine if you're getting good value on your investment. You can get a fair deal, but you probably won't get a great one.  
**SAGITTARIUS (Nov. 22-Dec. 21)** - Today is a 7 - You used to put up with all sorts of irritations, but not anymore. You want things to go your way, and you're willing to pitch a fit. That will work better on Friday.  
**CAPRICORN (Dec. 22-Jan. 19)** - Today is a 7 - You don't have to reveal everything you know. That includes all the tricks you tried that didn't work. Let people think you always do it right the first time.  
**AQUARIUS (Jan. 20-Feb. 18)** - Today is a 7 - Some people admire you for your lofty credentials, or because you're so smart. Others give you a run for your money. Which are your true friends? The ones who make you laugh.  
**PISCES (Feb. 19-March 20)** - Today is a 6 - Do your best to provide what's needed - once you can figure out what that is. Respect authority. They'll love that, and one of them might even start making more sense.
