Horoscope by Linda C. Black

TODAY'S BIRTHDAY (March 6). Never a dull moment this year, that's for sure. Your universe is changing every day. Luckily, you're adaptable. Although you'll encounter all sorts of new opportunities, the romance that works best is tried and true. Your luck is best in a game you've played for years, not in a new venture.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) - Today is a 7 - Can you get away for a fling? Take a walk on your lunch break? See something different for a change? If you don't forget a promise you've made, you should be able to get away with it.
TAURUS (April 20-May 20) - Today is a 6 - Don't let concerns about career advancement or money keep you from listening. A friend could use some of your practical advice. Give it freely. It'll do you good, too.
GEMINI (May 21-June 21) - Today is a 6 - Be patient with an emotional person, especially if he or she outranks you. Of course, he or she is being ridiculous, but ridiculing this person would be a big mistake.
CANCER (June 22-July 22) - Today is a 7 - You'll have no trouble thinking of things you'd rather do than work. The problem, obviously, is that you have to work. Make a date for tomorrow.
LEO (July 23-Aug. 22) - Today is a 7 - Extra tenderness is required now, even with a fun-loving friend. People's feelings will get hurt more easily than usual. Don't kid around a lot, and save the constructive criticism for later.
VIRGO (Aug. 23-Sept. 22) - Today is a 5 - If the others could agree on anything, you'd be outvoted. If they all keep taking off in different direc-
