Horoscope by Linda C. Black

TODAY'S BIRTHDAY (March 7). You'll learn quickly this year, with the help of good friends. You'll save time and effort by following their advice instead of learning everything the hard way. Trust your own judgment in romance, however. Your intuition will be right most of the time.
 To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) - Today is a 6 - The good news is that Venus is moving into your sign. That should make you luckier in love through the end of the month. The bad news is that today, you'll be held accountable for all your actions.
TAURUS (April 20-May 20) - Today is an 8 - Why not try something different? Take another route to work, and take the long way home. Sign up for a class. Stop by the library and find out about something new. You'll feel refreshed.
GEMINI (May 21-June 21) - Today is a 6 - You like raking in the dough, but you're not that keen on shelling it out. That's no excuse for making mistakes. Pay attention while paying your bills. You can find ways to save.
CANCER (June 22-July 22) - Today is a 7 - You know who a perfect match for you would be? A bossy sort of person - a take-charge, make-things-happen type. Somebody who'll protect you. Somebody you can inspire. Look around.
LEO (July 23-Aug. 22) - Today is a 6 - There's no more time to worry about who said what to whom. It doesn't really matter now, because there's more work coming in to keep you busy.

VIRGO (Aug. 23-Sept. 22) - Today is an 8 - The time to take action is here. You'll know when the exact moment arrives, if you're watching. This is what all your preparation has been for. Be bold.
LIBRA (Sept. 23-Oct. 22) - Today is a 6 - Discretion is advised. Even if you know the right answer, don't blurt it out. Only tell the person who really needs to know - and tell them quickly.
SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - Are you contemplating a new project? Don't know quite how you'll do it? Start by spreading the word around. The more people you get involved, the easier it will be. And, the more fun it will be.
SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - You'd rather make your fortune through a winning lottery ticket than through hours of back-breaking labor. But you have to earn that dollar in order to buy the ticket. Keep at it.
CAPRICORN (Dec. 22-Jan. 19) - Today is an 8 - You're smart, and getting smarter. You can set up your job to practically do itself. That'll leave you more time to listen to a loved one who needs your attention.
AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - Take a while to mull over your present situation. Don't let yourself be pushed into anything. Something you don't quite understand is about to become clear.
PISCES (Feb. 19-March 20) - Today is a 7 - Stick with what you know is right, even if you're in the minority. More people may agree with you than you realize. You'll eventually hear from them.
