continued from page 9A

we just tried to do the best we could with them," Oregon freshman Andrea Bills said.

The Dosty sisters finished the game with 41 points and 19 rebounds, but were unable to convert when needed.

Oregon outrebounded the Gaels in the second half, 19-18, including eight key offensive boards. Sophomore Cathrine Kraayeveld had nine rebounds in the half on the way to 11 overall.

If St. Mary's had the size, the Ducks had the heart and stamina.

"All of (our) posts were getting out on the breaks and making them tired," Kraayeveld said about Oregon's resurgence in the second half. "I think that was a key for us."

Because Oregon was able to get its post players to run the floor on a more consistent basis in the second half, the Ducks' backcourt was able to get more open shots, as it showed with four three-pointers.

Craighead led that shooting attack and was simply too much for the Gaels. Her first three-pointer of the game, 51 seconds into the second half, ignited the Ducks' up-tempo offense and started an Oregon 9-4 run in the first four minutes.

With Williams on the bench, Craighead's shooting prowess was that much more important.

"I just knew there was going to be a few more shots," Craighead said. "They didn't go in as much as I would have liked, but I made some that counted."

She finished the night 3-of-9 from beyond the arc and added two free throws.

Up 43-40 with 12 minutes left in the second half, the Ducks were able to put some cushion between themselves and St. Mary's, going on a 13-0 run.

Craighead started the run by nailing a three-pointer, and another by Shreve two minutes later gave Oregon the momentum it had lacked in the first half.

During the run, the Oregon bench played a key role. Junior Alissa Edwards followed Craighead's three with a fast break layup. Minutes later, Shreve ended the run with an impressive wide-open layin.

"The bench was absolutely wonderful," Oregon head coach Bev Smith said. "That's what postseason play is all about. Everyone that played contributed, and whether it was big or small it was a positive."

The Oregon bench combined to score 19 points for the Ducks, with Edwards leading the way. The guard played 31 minutes and posted five points, including three key free throws during Oregon's 13 point run.

Oregon is now assured of a second-round berth in the WNIT, although its opponent is still unknown. The Ducks will play the winner of Oregon State-Hawaii, set to be played at 7 p.m. tonight at Gill Coliseum in Corvallis.

The Ducks have seen the Beavers twice this season, with Oregon State winning at Mac Court and Oregon doing the same in Corvallis.

When asked what team they prefer, the Ducks were politically correct and said it doesn't matter. However, that doesn't mean they wouldn't relish a rematch with Oregon State.

"I like playing new teams, but it's the Beavers," Craighead said. "It'll be nice to take them out at McArthur Court where they beat us."

The Ducks are not assured of playing at Mac Court, but will find out their second-round destination at the conclusion of tonight's game. The time and date of the game has yet to be announced.

Adam Amato Emerald

Andrea Bills, guarded by St. Mary's senior Jerkisha Dosty, led the Ducks with 17 points and contributed six rebounds. The Oregon freshman kept the Ducks ahead by containing the Dosty twins — Jerkisha and Jermisha.

## Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (March 14). You've had the ideas, drawn up the plans, built up your self-confidence. Now, it's time to ask for the money. Whatever you want it for is justified, so you'll probably get it. Don't spend it all in one place.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 6 - Do you feel yourself getting stronger? It should happen any moment now. You're confident yet gentle, inspired to protect. Inside that tough exterior beats a brave heart. Stand up for somebody who needs you.

**Taurus** (April 20-May 20) - Today is a 7 - Did you tell a friend or loved one you'd do something, then forget? It doesn't happen often, but maybe you'd better check. Even if you're late, you'll save face if you do it before being nagged.

**GEMINI** (May 21-June 21) - Today is a 6 - Your goals are nowhere near big enough if you can accomplish them all by yourself. You need a team, and they're all around you. All they want to do is play. Give them direction.

**CANCER** (June 22-July 22) - Today is a 7 - Your mind may have a tendency to wander this morning. This could lead to embarrassment. Don't forget to provide something a cranky person expects. You know how he/she gets!

**LEO** (July 23-Aug. 22) - Today is a 7 - Your attention is beginning to turn from practical matters to fun. Better finish getting your supplies so that you can take off on your next adventure. Don't forget something important, like food. Better to have it than wish you did.

**VIRGO** (Aug. 23-Sept. 22) - Today is a 6 - Better

discuss an investment you've been contemplating with your partner. It's not a good idea to spend the money before you're sure it's going toward the right thing. Mistakes can be expensive.

**LIBRA** (Sept. 23-Oct. 22) - Today is a 6 - No need to feel overwhelmed for long. Friends would love to help, so tell them what you want. You're the one with the idea, but one of them will show you how to make it happen.

**SCORPIO** (Oct. 23-Nov. 21) - Today is an 8 - You're getting into the "hard work" part of the process. Sure, dreams can come true, but vivid fantasies are not enough. Elbow grease is also required.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is a 7 - It's amazing how just being quiet can sometimes lead to profound insights. Love is the answer again, of course.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is a 7 - This'll be a good night for a family meeting. If anybody's got hurt feelings, it should be easy to tell. Love is strong, so understanding can't be far behind.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 7 - You may run out of ideas soon, but that's OK. You know where to find more, and searching for them is one of your passions. This next part's going to be very interesting.

**PISCES** (Feb. 19-March 20) - Today is an 8 - You're wise and compassionate already. Would it be OK to also be rich? Accept a promotion or raise that you've earned - or, if that's not happening, a whole better job. You're worth it.
