

# Oregon ready to host Beavers in second round

■ The Ducks play Oregon State for the third time this season after OSU defeats Hawaii in the WNIT

By Hank Hager  
Oregon Daily Emerald

And the winner is ... Oregon State. By virtue of their 62-50 win over Hawaii on Thursday, the Beavers now travel to Eugene on Sunday as the Ducks host the second round game of the Women's National Invitation Tournament at McArthur Court at 1 p.m.

The game marks the third time this season the Ducks (18-13 overall) and Beavers will meet up, the first time that has happened since the 1988-89 season. And what a season matchup this year's has been.

Coming into Mac Court in January, the Beavers (17-14) were able to overtake the Ducks for their first win at the fabled gym since 1993. It also marked Oregon State's first win over the team's in-state rival since 1996.

Less than a month later, Oregon returned the favor, this time in Corvallis. Oregon senior Ednisha Curry hit a last-second runner in the paint to seal a one-point Oregon win in overtime.

While the Ducks were just happy to get into the second round after their tough game against St. Mary's (Calif.) on Wednesday, most said they would have been fine playing either the Beavers or Hawaii.

However, the Oregon rivalry will heat up

once again.

"It would be nice to see them lose, but if they do win, it will be a battle," Oregon sophomore Cathrine Kraayeveld said after Oregon's 11-point win over the Gaels.

Unlike the Gaels, whom the Ducks knew little about, the Beavers are a well-known commodity in Eugene. Oregon State features a well-balanced attack, and may be the one team from the Pacific-10 Conference that can match up well with Oregon's backcourt.

Led by senior guard Felicia Ragland, the Beavers may also be one of the more physical teams in the conference. That play was never more apparent than when the Ducks and Beavers met this season.

Oregon junior Shaquala Williams, who played only eight minutes Wednesday due to illness, is expected back against the Beavers. Her play will be important against Oregon State as she is Oregon's main weapon in matching Ragland's offensive ability.

However, the Ducks have made no distinction leading up to their game against the Beavers.

Had the Wahines won instead of Oregon State, that would have been just fine.

"We just got to look at the teams the same way and play hard," Kraayeveld said. "We've just got to take care of each team one game at a time."

E-mail sports reporter Hank Hager at hankhager@dailyemerald.com.

### Horoscope by Linda C. Black

**TODAY'S BIRTHDAY** (March 15). Some may have called you a nut, but others know the truth—that you are, or are about to be, a creative genius. The line between those two types is a thin one. It has to do with how much money you're making. This year, it'll finally be enough.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

**ARIES** (March 21-April 19) - Today is a 7 - You're feeling feisty again, but within boundaries. Your enthusiasm is held in check, which is good. Think about how others feel, and don't get reckless. Don't frighten the innocent.

**TAURUS** (April 20-May 20) - Today is a 6 - Are you stirred by secret passions? If so, better keep a lid on them during working hours. This weekend will be better for uninhibited behavior. Sunday, especially. Make a date for then.

**GEMINI** (May 21-June 21) - Today is a 7 - The money should be pretty good, and the company you're keeping is marvelous. They inspire you, and you encourage them. Let a naysayer express his opinion. Listen carefully, but don't let him stop you.

**CANCER** (June 22-July 22) - Today is a 6 - Assume that you're being watched by somebody important. A talent scout or agent, a potential employer or your present one. Look sharp, and appear to be busy at all times. Even if it's about taxes, all ends well.

**LEO** (July 23-Aug. 22) - Today is an 8 - You'd leave right now if you could. You'd head to a tropical paradise. White-sand beaches, vivid blue sea, just you and the person you love. So what's keepin' ya?

**VIRGO** (Aug. 23-Sept. 22) - Today is a 6 - The solution to a problem that's been giving you fits is close at hand. Stop worrying. Have a little faith. Your spiritual advisor is the one most likely to make the connection. Keep listening.

**LIBRA** (Sept. 23-Oct. 22) - Today is a 7 - If you want to deviate slightly from the instructions you've been given, get reinforcements. Find an expert who agrees that your way is right. Of course, the proof really comes when the final product is perfect.

**SCORPIO** (Oct. 23-Nov. 21) - Today is an 8 - If you love your work, you're having a fabulous time. If you don't love your work, pretend you do. It could stick, and that will make the day go by quickly.

**SAGITTARIUS** (Nov. 22-Dec. 21) - Today is a 7 - One of your dreams could get shattered. A fantasy may be proven impractical. This won't slow you down for long. There are more where those came from.

**CAPRICORN** (Dec. 22-Jan. 19) - Today is a 7 - How about having the party at your house tonight? It'd be fun, and you can save money. That's a combination of ingredients everyone will appreciate.

**AQUARIUS** (Jan. 20-Feb. 18) - Today is a 7 - The more time you can spend reading and talking with your friends, the better. Be prepared to defend one of your favorite assumptions.

**PISCES** (Feb. 19-March 20) - Today is a 7 - It's a good day to apply for a job, if you want to improve your position. Sign up, even if you think you won't qualify. You could get lucky.
