Cosponsored by REI Eugene and KRVM

WFR Recertification Course April 5-7, 2002

Don't let your WFR certification lapse! The River House Outdoor Program is hosting a recertification class for Wilderness First Responder card holders. This course saves you time and money; compare the 3-day recertification cost of \$195 against the 10-day WFR Course cost of \$495. WFR cards last just 2 years, so check your date and call Jen Murray at the River House to sign-up. The course is open to all WFR card holders even if your card has not expired.

Local Club Focus

New UO Rock Climbing Club!

The Outdoor Program is excited to welcome the UO Club Sports Climbing Club to campus. The brand new club is designed to gather together people of all skill levels for sport climbing, mountaineering, ice climbing and bouldering. The Climbing Club hopes to organize safety clinics to help seasoned members maintain skills and help newcomers build their skills. Coordinator Ben Johnson also hopes to organize climbing outings, social gatherings and intercollegiate competitions. For more information call Ben at 344-8392 or Club Sports at 346-3733.
