To participate in these groups, register and pay fees at ALS, 68 PLC. All groups meet 2 hours per week. If you need assistance in courses other than those listed, registry printouts are available that list qualified tutors. There is no charge for this printout.

For more information contact, ALS: 68 PLC, or call 346-3226.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 4). Face something that has you slightly intimidated - or perhaps grossly intimidated. No pain, no gain, remember? Until you give it a try, you'll never know how good it feels to stop being afraid of the one thing that makes you anxious. Here's the good news: You win.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - Don't get into a fight if you can help it. You may not agree that right or wrong depends on point of view, but you can see it's still important to find out the whole story.

TAURUS (April 20-May 20) - Today is an 8 - This isn't an easy day for most people. Two very powerful entities could clash. But you're in a good position, so watch what's going on, and act quickly when the time seems right.

GEMINI (May 21-June 21) - Today is a 7 - It's nice of your friend to offer advice, but you don't have to take it just because it's free. You have a better chance of finding the best deal through your own experience.

CANCER (June 22-July 22) - Today is a 7 - They say opposites attract. Is that really true? You're the one who should know. If you let a bossy person think he or she is in control, you could get very lucky.

LEO (July 23-Aug. 22) - Today is a 7 - Your next lesson is about patience. You want to be right the first time, but that's unlikely now. Take other people's considerations into account in order to avoid delays. You'll get there eventually.

VIRGO (Aug. 23-Sept. 22) - Today is a 6 - There's definitely something standing between you and your objective. Is it a lack of financing? Don't give up. Success is just beyond that.

LIBRA (Sept. 23-Oct 22) - Today is a 7 - Housework is not your favorite hobby, but this time it could be fun. Decorate so that you can have important company over - maybe for the whole weekend.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - Sort through your data and make a few changes. Have you been doing your job the hard way? If you find a better, easier method, don't be afraid to use it.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - Don't get silly and say the wrong thing at the wrong time to the wrong person. Protect your investment and keep your lip zipped, at least until the check clears.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - People show more interest in your opinions now, although they're still not following them very well. Be nice. You'll get better results.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - Check and double-check the information you receive. Something you hear or read contradicts an old belief. You pride yourself on being open-minded, so prove you are.

PISCES (Feb. 19-March 20) - Today is a 7 - Tempers may be short, and voices may rise. You can be a help, but don't get caught in the crossfire. Soothe the one who's hottest with gentle words of wisdom.

The revolution is finally here...
Dance Dance Revolution
Come check out the unique dance simulation game that is sweeping the nation.
