Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 9) You may be a tad introspective this year. Don't worry: You don't have to be out in front of the crowd all the time. Instead of being a cheerleader, you may prefer to be a hermit. It'll be good for you.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - You're not as boisterous as usual. You aren't sick; you're thinking. Give yourself plenty of time, because the first three or four ideas you come up with probably won't work.

TAURUS (April 20-May 20) - Today is a 7 - Don't take on a friend's problem. That's not good for either of you. Instead, suggest ways he or she can achieve success. Teach, even if it initially seems like your lesson is falling on deaf ears.

GEMINI (May 21-June 21) - Today is a 6 - Is it you, or has the world gone nuts? You'll run into just about everything that could possibly go wrong. Dig around in that goodie bag of yours and find your sense of humor. You'll need it.

CANCER (June 22-July 22) - Today is a 7 - When you ask for divine guidance, you shouldn't complain if some of the answers you get are "no." A friend who loves you could be your very own guardian angel. Listen.

LEO (July 23-Aug. 22) - Today is a 7 - You have a lot going for you, but not quite everything yet. A partner's great idea needs work. Cut fluff to save time and money. The less complex, the better.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - Non-verbal communication is most effective now. Gestures and emotions will get through when words aren't getting the message across. Don't be distracted by logic.

LIBRA (Sept. 23-Oct 22) - Today is a 7 - You have grand dreams and lofty ambitions, but you may be a little short on funds. Don't go into debt. Instead, take on a new job - a creative endeavor.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - There'll be all kinds of complications today, one problem after another. The good news is that you find a way past all that, with the help of somebody who loves you.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - You're under a bit of tension. This could be annoying, but it isn't necessarily bad. Think of it as growing pains.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - There's plenty of confusion, so don't make a big decision now. Continue to look at the options and ask questions. Judge not only by what you hear, but also by what you see.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - Something that's been bothering you about your home, or someone who lives there with you, can no longer be ignored. Your picture of how things should be isn't matching reality. Either change the situation or change your attitude.

PISCES (Feb. 19-March 20) - Today is a 7 - You're loved, OK? Now stop worrying about that! Instead, concentrate on working out the bugs in your latest scheme, or dream, or whatever it is.
