Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 18). Don't throw your money around this year. You'll be tempted, but you're much better off investing in real estate, or fixing up your home.

ARIES (March 21-April 19) - Today is a 6 - You may be just about worn out. Mental activity can be exhausting, too. Don't feel guilty about resting.

TAURUS (April 20-May 20) - Today is a 7 - Continue to gather up the loot. The action is still too hot and heavy for you to count it now. Just keep wheeling and dealing.

GEMINI (May 21-June 21) - Today is a 7 - You're determined to succeed, but you'll need more than just enthusiasm. Add careful research and budgeting, and you'll have it made.

CANCER (June 22-July 22) - Today is a 7 - Your plans should be coming together by now. There are still a few last-minute things to be done. No more procrastination. Take action.

LEO (July 23-Aug. 22) - Today is a 7 - You have a great list of possibilities. Now sort through them, carefully and on your own. Mull things over until inspiration strikes. That should happen late Sunday.

VIRGO (Aug. 23-Sept. 22) - Today is a 7 - Fame is nice, fortunes can fade, but friendship is forever. Forget an old misunderstanding. Let the good times roll.

LIBRA (Sept. 23-Oct 22) - Today is a 7 - Pull in the reins. Keep a lower profile. Somebody important, and potentially critical, is looking your way. Look busy. No giggling!

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - You're ready to advance to the next level, to step outside the box. Old limitations look firm, so push them aside. You're getting stronger.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - Is there something you need in order to make your job easier? Something you can't seem to find? Ask your partner or the sales rep to get it for you.

CAPRICORN (Dec. 22-Jan. 19) - Today is an 8 - Love is in the air. If you join forces with somebody you care about, a difficult job becomes fun. Don't waste money on romance. Instead, spend your time freely.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 7 - You'll really be in trouble if you don't get down to business - something other than monkey business, that is. For heaven's sake, wipe that grin off your face!

PISCES (Feb. 19-March 20) - Today is a 7 - There are a lot of things you wish you had said, but don't worry about that now. Your actions speak louder than words. Show the one who matters most how you feel.
