

# HOUSEHOLD

Our company is one of the leading providers of personal loans and credit cards and is known for the quality of our people, products and services. We're listed as a Fortune 200 company as well as one of *Working Mother* magazine's top 100 companies to work for.

We are now hiring:

## Credit Risk Analyst

Responsible for credit risk projects requiring analytical, quantitative, and computer skills. Provides support of research projects including project design, data collection, database design, analysis and presentation of results. Conducts cost and profitability studies. Performs analysis and documents results of alternative risk management options and credit risk performance. Designs and writes mainframe and PC programs for statistical analysis of portfolio performance. Performs other projects or special assignments as required.

Bachelor's degree in Finance, Economics, Mathematics, Statistics, or Business; Master's degree preferred. Must have 1-2 years in prior operations or MIS experience with knowledge and understanding of consumer lending. Must have analytical, computer, and statistical skills as well as solid written and oral communication skills.

Summer Internships also available.

If interested, send your resume to [james.l.normandy@household.com](mailto:james.l.normandy@household.com).

Background check and drug screen required. Household is an Equal Opportunity Employer.
