the cycle off Kontra, but the Oregon pitcher got Thompson to pop out to Richards at third for the final out of the game.

The win improved Kontra's record to 6-10, as she gave up two runs on nine hits and three strikeouts. Erica Beach recorded the loss, giving up four runs on five hits and three strikeouts dropping her record to 24-10.

After the win Saturday, Arizona State came back strong in the Sunday contest, blanking the Ducks in a 6-0 game. Oregon could not

capitalize on any of its six hits off of a combined Arizona State pitching effort of Beach and Kirsten Voak.

The Sun Devils scored one in each of the two innings and two in the fifth and sixth off of Oregon pitchers Anissa Meashintubby and Connie McMurren. Brun, Wright and Beach all connected for home runs for Arizona State.

Oregon takes a break from Pac-10 play on Tuesday with a game against Hawaii at Howe Field, before hosting UCLA and Washington over the weekend.

Sophomore placekicker Jared Siegel hit a 26-yard field goal to start the Green team's scoring onslaught in the game's first drive. Later in the first quarter, Fife hit a wide-open Parker for a 39-yard score, the game's first touchdown.

Onterio Smith — who finished the game with 29 yards on six carries — took a screen pass from Fife early in the second quarter and ran over backup safety Stephen Clayton to give Green a 16-0 lead. Fife hit Parker again for a 29-yard touchdown and Clemens rocketed a pass to Allen for a 13-yard score late in the second quarter.

"Overall, we came out and played real well as an offense," Smith said.

Jose Arroyo, the starting punter

and backup placekicker, hit a 50-yard field goal for the White team's only score. He also nailed a 65-yard kick during half-time warmups.

"It's very nice that we have two kickers who are capable of not only kicking extra points, but 50-plus-yard field goals."

Mike Bellotti
Oregon head coach

Asked if Arroyo was competing for the placekicker's job, Bellotti said, "No, but it's very nice that we have two kickers who are capable of not only kicking extra points, but 50-plus-yard field goals."

In the second half, Fife hit tight

end George Wighster for a 24-yard score. Clayton, among the many Ducks to switch uniforms, intercepted a pass from walk-on quarterback Matt Kennedy and returned it 57 yards for a touchdown to put the Green team ahead 44-3. Justin Phinisee, the starting cornerback with Steven Moore on Saturday, followed in Clayton's footsteps, as he returned an interception 37 yards to round out the scoring.

Third-string quarterback Scott Vossmeier was 5-for-11 for 51 yards for the White team. He was sacked four times, twice by Igor Olshansky, who led the Green team with nine tackles. Eric Johnson had nine tackles for the second unit.

it came when Fife hit the junior receiver on a slant from 39 yards out.

Parker's second touchdown came later in the second quarter. With a defender on him and Fife's pass slightly under-thrown, Parker leaped above the white jersey guarding him and hauled down the pass in the end zone.

"We executed pretty well," Parker said of his connections with Fife. "I just tried to make plays like I'm capable of doing."

Fife said that sometimes, even he is amazed by the abilities of his receivers.

"I've got to catch up with Samie and Keenan (Howry). They're highlight-reel guys," Fife said. "I've got to make sure that I'm on my game so I can make them look good."

Although Bellotti is not sure who

will be the starter in the fall, Fife made a strong bid for the job Saturday. The junior connected on 12-of-15 passes and averaged 18 yards per completion. Parker was his favorite target, but he also hit Onterio Smith and George Wighster for scores.

But Parker was, clearly, Fife's main man. The two connected for seven completions, and Parker never dropped a pass from the quarterback.

"I've spent a lot of time with him, and I'm really comfortable throwing to him," Fife said.

Bellotti acknowledged that Fife overshadowed Oregon's other quarterback hopefuls like Kellen Clemens and Scott Vossmeier, but said he won't make any decisions so far from the start of the season.

"I've been somewhat expecting (Fife's performance) because he's a junior," Bellotti said. "He's made steady progress over the course of the spring. Kellen today was at

times a bit lost, and that's indicative of being a freshman.

"For us, the job is still an interesting situation that we will rejoin when we start fall camp."

As for Parker, he picked a good time to play well. With star receiver Howry still recovering from shoulder surgery and fellow starter Jason Willis also injured, Parker made a statement with his strong scrimmage performance.

Now, Parker will spend the rest of the spring season honing his speed on the Hayward Field track. Parker, who runs the 100-meter dash for the Duck track and field team, will head to Columbus, Ohio, for the Jesse Owens Classic next weekend. Parker still has a chance to qualify for the NCAA Championships in late May.
