Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 29). A treasure you've stashed away could increase in value this year. Don't cash it in now, keep it hidden. You can get by if you wisely use whatever's in your pocket. Earn more before you touch your savings or go into debt. You could gain great wealth.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is an 8 - A variety of considerations have kept you stuck. You still have a few of them, but you can see a way to advance. Say "yes" even if it seems almost impossible.

TAURUS (April 20-May 20) - Today is a 7 - Put more of your money in a place where it will grow. It doesn't have to grow quickly; you won't need it for a while. Better safe than sorry.

GEMINI (May 21-June 21) - Today is a 7 - Talk over your plans with a creative partner. Might as well mention your concerns and considerations. You won't get them all resolved, but you can get a good start - and let go of some tension.

CANCER (June 22-July 22) - Today is a 7 - A sense of urgency should have kicked in by now. That's partly because it's Monday, but more because the moon's now in Sagittarius. That's your green flag to do all those things you've been thinking about.

LEO (July 23-Aug. 22) - Today is a 7 - Your friends are pushing for one outcome, but a loved one wants something else. Can you be everything for everyone? Nope. Family comes first.

VIRGO (Aug. 23-Sept. 22) - Today is a 6 - You'd just as soon stay home, but your presence is requested. Somebody needs you to help them make sense of a complex situation.

LIBRA (Sept. 23-Oct. 22) - Today is an 8 - Are you getting smarter, or does it just seem that way? Maybe it's because you're doing the homework. Keep practicing and studying. You can grow up to be an expert.

SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - You could either double your money or lose half of it. Don't bet it all on one number. Diversify! Take only carefully calculated risks.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - Have you figured out that you can't make it alone? Well, for some things you can, but you get a lot further with a partner, and it's a lot more fun.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 6 - The pressure is intense. There's no more time to talk about it. Prove you can produce results. You thrive in this sort of environment, but it's still tiring. Don't plan anything for tonight.

AQUARIUS (Jan. 20-Feb. 18) - Today is an 8 - You're almost too popular! Everybody wants your time and attention. Don't stretch yourself too thin. You can't be everywhere at once. Schedule carefully.

PISCES (Feb. 19-March 20) - Today is a 5 - You're stuck between a rock and a hard place. If you have an agenda, follow it one step at a time. Don't try to please everybody.
