Horoscope by Linda C. Black

TODAY'S BIRTHDAY (April 30). This year, you're just about at the point where you can afford a nice vacation. This is one of the things you've been saving for. If you can combine business with pleasure, so much the better. Investigate unfamiliar territory.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 7 - You've been asking questions and learning a lot. But understanding is the booby prize. You need to take action. Turn those great ideas into bonus bucks.

TAURUS (April 20-May 20) - Today is a 6 - You're interested in your interest. Figure out how much you're paying and earning. If you shuffle things around, you can increase your profits without leaving your chair.

GEMINI (May 21-June 21) - Today is a 7 - State your opinion strongly and firmly. Make sure your mate or partner understands. Shouting might not be necessary, but do it if you must. Be willing to compromise if the other guy has a good point. Work it out so that you can go shopping tomorrow.

CANCER (June 22-July 22) - Today is a 7 - Whatever didn't get done yesterday is sitting there, waiting for you. Sort it all into piles, arranged in order of urgency. If it ain't due tomorrow, it ain't homework!

LEO (July 23-Aug. 22) - Today is a 7 - Any way you can play all day and do all your work Wednesday and Thursday? If not, schedule meetings. You'll be charming.

VIRGO (Aug. 23-Sept. 22) - Today is a 5 - They want you to take on more responsibility, but are

they offering more money? If not, at least ask them how long before it might come in. Don't give up family time (ASTERISK) for status.

LIBRA (Sept. 23-Oct. 22) - Today is a 9 - You thought having lots of money was necessary. Now, you see it's not all that important. Honest friends are much more valuable.

SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - You're not really obsessing about money; you're just thinking about it a lot. You're coming up with a get-rich-slowly-and-keep-it scheme. Work out the details. This has merit.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - You're an excellent talker, but you're facing tough competition. If you must, point out the flaws you find in the logic. But, remember: This time it might be smarter to lose.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 6 - Recent developments require a change in plans, and lots of details must be rearranged. It won't be that hard once you start. Sort carefully so that you don't forget anything important.

AQUARIUS (Jan. 20-Feb. 18) - Today is an 8 - You may have had difficulty finding the right words, though heaven knows you've done enough talking. Well, Mercury is going into Gemini, so that will all be resolved. You'll be eloquent.

PISCES (Feb. 19-March 20) - Today is a 5 - You've thought about it long enough. You're sorely tempted to speak up. Should you? Better discuss a controversial topic with those close to home before going public with it. They'll help you edit.
