Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 1). Don't quit your job and run away. You can weather a stressful situation. Then, take time off for yourself. A trip or a college course can open your eyes to new options. You don't have to sacrifice one thing for the other. Keep it all.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 5 - Money isn't everything. You already know you can do without it. However, strong leadership now can earn hefty profits. Accept the challenge. What you don't know, you can quickly learn.

TAURUS (April 20-May 20) - Today is an 8 - It's easier to get your point across with actions rather than words. They say communication is a function of intention, and your intention is clear. Act decisively and there will be no misunderstanding.

GEMINI (March 21-June 21) - Today is a 6 - You're smart, charming and decisive, but it still won't be easy to get your way. The direct approach will be least effective. It'll work better to ask a thrifty friend to broker the deal for you.

CANCER (June 22-July 22) - Today is a 6 - Your head's buzzing, but you may not feel like talking about it. Hang out with a person who knows you well. That way, everything will be handled and you won't have to say much at all.

LEO (July 23-Aug. 22) - Today is a 6 - Don't go for a partner's risky scheme. Hard work will get you there you want to be much sooner. There's no avoiding it, so dig in. Provide something that's needed.

VIRGO (Aug. 23-Sept. 22) - Today is an 8 - New responsibilities could weigh you down if you let them. You're good at prioritizing, right? Make sure loved ones come first.

LIBRA (Sept. 23-Oct. 23) - Today is a 5 - Things will still work out, though not according to your plan. But planning is still good. It gives you something to do. Just don't get too attached to your conclusions.

SCORPIO (Oct. 23-Nov. 21) - Today is a 7 - There's a lot you still don't know, but you're narrowing the gap. Focus on substantial subjects. That means something you can cash in on. There's an obvious choice nearby.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 6 - Are you in love? Looks like you're more interested in one special person than in the task at hand. There's work to be done and money to be made. Save play for tonight.

CAPRICORN (Dec. 22-Jan. 19) - Today is an 8 - You're strong, and that's good, because the task you're facing would be intimidating to a lesser mortal. Keep records of what you're doing.

AQUARIUS (Jan. 20-Feb. 18) - Today is a 6 - Domestic matters must take priority again. Make a decision once and for all, and then you can relax. Don't resist authority. Use it.

PISCES (Feb. 19-March 20) - Today is a 7 - Where can you go to escape all the noise and have a few moments to think? Visit a kind friend whose kitchen is always full of good smells and cheerful wisdom.
