Junior pole vaulter Becky Holliday had 'better expectations' for herself at the NCAA Championships in Louisiana on Wednesday, but she will be back in 2003 as the nation's top senior in the pole vault. UCLA's Tracy O'Hara won the event for the second straight year.

7. Jennifer Ashcroft, Nevada	13-01.50

"I don't know what it's going to be like," Lundeen said before a practice at Hayward Field last week. "I'm assuming huge. I'm just totally excited to be getting the opportunity to go there."

Unlike Lundeen, Crumley has had a chance to witness the NCAA Championships after attending the 2001 version in Eugene. She still owns the copy of the videotape her father took while at Hayward, and is looking forward to Louisiana.

While Crumley and Malone have been relatively healthy for most of the season — Malone having only suffered a pull midway through the 2002 campaign, is now OK — Lundeen has not had the same fate. An elbow injury has bothered her for most of the season.

However, Lundeen said she is has

been recuperating well and is at her healthiest point in quite awhile. But she still has her obstacles entering the final meet of the 2002 season.

"There's a lot of changes I'm having to make and I'm trying to get myself back into the rhythm of things," she said. "So it's a challenge right now."

Lundeen enters the meet ranked 12th in the nation, while Malone is the highest ranked of the three Ducks at No. 4, and Crumley follows that up at No. 8. The three represent Oregon's best chance to earn quality points at the NCAA Championships.

"On one hand, I'm really nervous because it's NCAAAs," Crumley said. "But on the other hand, I have to remember I just have to do the same thing that I've been doing."

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (May 30). If you're extremely thrifty this year and stash away all your spare change, you might finally be able to afford the vacation of your dreams. You can also increase your income with the help of a partner and a friend. Make it happen.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 6 - Consider your home and family as you take on new responsibilities. Is the payoff worth what you'd have to give up?

TAURUS (April 20-May 20) - Today is a 7 - Wise purchases and trades that you've made have not gone unnoticed. Are you ready to take on more responsibility? Others think you are. Check it out.

GEMINI (May 21-June 21) - Today is an 8 - Your dreams are possible; it's just that some things take more time than others. Do you have the discipline? Will you do the work? Show, don't tell.

CANCER (June 22-July 22) - Today is a 7 - Consult experts and gather data as quickly as you can. You still have to make the final decisions, so educate yourself. It'll make a big difference.

LEO (July 23-Aug. 22) - Today is a 7 - Check the items off your lists as fast as you can. Clear space for the extraordinary to happen, and it will.

VIRGO (Aug. 23-Sept. 22) - Today is a 6 - Take your complaints to a person who can help you fix them. Don't put an extra burden on someone

who doesn't have a clue. That's inefficient!
LIBRA (Sept. 23-Oct. 22) - Today is an 8 - You're regaining power. It feels like your life is getting easier. Crank out as much as you can. Your imagination is working.

SCORPIO (Oct. 23-Nov. 21) - Today is a 5 - Anticipate breakdowns. Have a Plan B ready, and a Plan C as well. Send a special gift to someone who's always on your side.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 5 - Do you have any bills to pay off? That's where your spare change should go. The more you learn, the more you'll earn, so it's OK to buy books, too.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 7 - You should be pretty sure by now where to make the corrections. Try out a few more ways, and consult a few more experts. Make your decision tomorrow.

AQUARIUS (Jan. 20-Feb. 18) - Today is an 8 - Isn't completion grand? Get one tough job done, and everything else seems doable. Tackle the next problem with renewed confidence. You're hot!

PISCES (Feb. 19-March 20) - Today is a 7 - The battle is over, and love wins again. By the way, is there something you've been meaning to say? Can't find the words? You can find another way to get the message across.
