Horoscope by Linda C. Black

TODAY'S BIRTHDAY (June 4). Stop, look and listen - that's your motto for this year. Even when things are moving fast, make sure you know where you're going, and check to see that you're still on course. This is a great skill to master. Practice.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) - Today is a 7 - Recent pondering and self-analysis leads to new inspiration. You'll soon be into new territory, and you'll encounter new dangers. Look before you leap.

TAURUS (April 20-May 20) - Today is a 5 - You're not a big talker, so nobody will notice if you keep your plans to yourself. Keep thinking.

GEMINI (May 21-June 21) - Today is a 7 - Don't give up, even if the task seems impossible. Help is on the way. You'll get farther, and save energy, by going with the flow.

CANCER (June 22-July 22) - Today is a 6 - A gentle confidant helps you find a way around a problem early in the day. Later, it will be best to keep comments to a minimum and simply follow directions.

LEO (July 23-Aug. 22) - Today is a 6 - You'd rather be out playing games than negotiating business contracts, so get the business out of the way early. You have more important things to do.

VIRGO (Aug. 23-Sept. 22) - Today is a 5 - Better speak up if you want a piece of the pie. The other

ers will have it all divided up for themselves if you don't pay attention. You snooze, you lose.

LIBRA (Sept. 23-Oct. 22) - Today is an 8 - You'll soon notice an increase in your enthusiasm and effectiveness. Accept an attractive offer from a person with boundless energy.

SCORPIO (Oct. 23-Nov. 21) - Today is a 6 - You're more in the mood for love, but financial pressures make work take priority. Saturday is better for romance, anyway.

SAGITTARIUS (Nov. 22-Dec. 21) - Today is a 7 - It's easier to get your message across now, but it's more difficult to make smart purchases. Talk instead of shop.

CAPRICORN (Dec. 22-Jan. 19) - Today is a 6 - The pace is hectic and your patience is thin. You want to be more efficient, but your routine isn't working. Add structure.

AQUARIUS (Jan. 20-Feb. 18) - Today is an 8 - Financial worries motivate you to get back into the books. New skills lead to new revenue, possibly through a better job. Take the plunge.

PISCES (Feb. 19-March 20) - Today is a 6 - Money isn't all that important to you. You place more emphasis on spiritual things - integrity, faith, hope, charity. But money is nice to have, too. Get what you've got coming.
