JOE'S SUSPICIONS ARE CONFIRMED

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (July 9). You'll be amazed at your own strength this year. As you produce positive results, you'll forget your shyness and a lot of your other worries. Remember the rules you're learning, even if you have to write them down. They're among the major assets you'll acquire. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 5 - Nothing is more important than the people who love you. Try to listen to somebody who isn't talking much, even if it takes a while to coax them out of silence. Your patience will be repaid.

TAURUS (April 20-May 20) Today is an 8 - You may have an overwhelming urge to call your favorite sibling and talk for hours. Or maybe you could go shopping together. That would be even better.

GEMINI (May 21-June 21) Today is a 6 - You're smart, so don't despair if this lesson is hard to learn. Don't let the fact that it's happening in real life make you nervous. Pretend it's a movie.

CANCER (June 22-July 22) Today is an 8 - Why is everybody looking at you, following you around, asking your opinion? It's because you're cool, that's why. And hot!

LEO (July 23-Aug. 22) Today is a 5 - Feel like you've got the whole world on your shoulders? In a few weeks you'll feel more like royalty. Meanwhile, just keep crossing things off your lists.

VIRGO (Aug. 23-Sept. 22) Today is an 8 - Your friends can do you a big favor. They can get you involved in a great project, one that will allow you to meet a lot of fabulous new friends. Let them talk you into it.

LIBRA (Sept. 23-Oct. 22) Today is a 6 - It's important to learn to do everything right. You can, of course, if the payoff is high enough.

SCORPIO (Oct. 23-Nov. 21) Today is a 10 - You may not have everything you always wanted, but what you don't have you can do without. What you've got is worth more.

SAGITTARIUS (Nov. 22-Dec. 21) Today is a 5 - It's good to know how much you have, but you don't need to tell everyone else. However, you can ask someone to help you figure it out.

CAPRICORN (Dec. 22-Jan. 19) Today is a 6 - Your significant other, your partner or your attorney is putting on a brilliant performance. Applaud, encourage, empower and enjoy.

AQUARIUS (Jan. 20-Feb. 18) Today is a 5 - No more arguments! That'll make the task more difficult than it already is. Divide up the tasks, give them your full attention, and crank!

PISCES (Feb. 19-March 20) Today is an 8 - Looks like the major disruption is over, at least temporarily. Might as well treat yourself to a special reward. Romance is highly favored now, by the way.
