Horoscope by Linda C. Black

TODAY'S BIRTHDAY (July 23) You could do quite well this year, both emotionally and financially. You might get a couple of gifts and win a few prizes, but mostly you gain through persistence. The harder you work, the luckier you get. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 7. Your victory comes not through some fluke, but as a result of your efforts. Don't waste energy bragging. The work you do is more impressive.

TAURUS (April 20-May 20) Today is a 7. You've always been a homebody, and that's even more the case now. You want to see distant places, but first you can fix up your own.

GEMINI (May 21-June 21) Today is a 7. You've been known to get confused, to talk too much or get the jitters. You're outgrowing it. You're getting more clear and decisive each day. Keep practicing.

CANCER (June 22-July 22) Today is a 6. You've worked hard to get where you are. Hand the baton to your mate. Encourage another to speak or act for you, and you can get even farther.

LEO (July 23-Aug. 22) Today is an 8. Notice any difference? You should be feeling more confidence. It's not just because of what you've done, or what you're doing now, but just because you're you.

VIRGO (Aug. 23-Sept. 22) Today is a 7. Spend more time planning and finishing old business over the next few weeks. You're entering your annual completion/new beginning phase. Be ready to launch in mid-August.

LIBRA (Sept. 23-Oct. 22) Today is an 8. Worrying about a mess at home could keep you from noticing how good you really have it. Stop complaining, and count your blessings.

SCORPIO (Oct. 23-Nov. 21) Today is a 6. Don't expect to get a whole lot done as you get used to new conditions. Watch and wait until you can see what will be most effective.

SAGITTARIUS (Nov. 22-Dec. 21) Today is a 7. You're starting to get stronger, and your wanderlust is increasing. Ask for the 29th and 30th off. You'll be crazy by then.

CAPRICORN (Dec. 22-Jan. 19) Today is a 6. You've got the right ball rolling down the right hill, you can sit back and relax. It's in the bag.

AQUARIUS (Jan. 20-Feb. 18) Today is a 6. Take a little longer to think it out. Somebody else can help you achieve your goals, maybe even better than you can. Work together.

PISCES (Feb. 19-March 20) Today is a 6. You're entering an intense work phase. Set everything else aside for a while and focus. If you do this, you can achieve a goal you've long sought.
