- hearth café > lawrence hall
- atrium café > willamette hall

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Aug. 8). You're very powerful this year, but your lesson is about being gentle. Learn to listen to everybody as if they knew more than you do. As you implement their suggestions, you'll become a strong and beloved leader.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) Today is a 9. It's obvious which way you want to go, though not everyone will be pleased. That's their problem. Follow your heart.
TAURUS (April 20-May 20) Today is a 5. There's work involved and imagination required. Don't delegate a domestic chore completely, or it won't turn out the way you want. Stay involved.
GEMINI (May 21-June 21) Today is an 8. You can't be in two places at once, so you'll have to choose. Here's a clue: You'll be more effective and confident over here than you would be over there.
CANCER (June 22-July 22) Today is a 5. Don't go into shock over an expensive purchase. If it's an item the family will use, you'll get your money's worth. Relax and enjoy.
LEO (July 23-Aug. 22) Today is a 9. You're full of energy... and lucky, too. Don't shy away from a tough competition. If you play by the rules, your chances of winning are good. Someone's watching.

VIRGO (Aug. 23-Sept. 22) Today is a 7. It may seem as if others have the final say in what you do and don't do. That's only partially true. Keep a list of your objections. It'll come in handy later.
LIBRA (Sept. 23-Oct 22) Today is a 9. The key to your success isn't your brute strength; it's your imagination and style. Besides, you're so cute, you can't fail. Seize the day!
SCORPIO (Oct. 23-Nov. 21) Today is a 5. You can be part of a great healing force, bringing peace and light to all the world. Anything less is unworthy of you. And if you already are a healing force, stand fast.
SAGITTARIUS (Nov. 22-Dec. 21) Today is a 9. By accepting an opportunity that requires expansion, old problems will be left behind. Don't worry about it. Go!
CAPRICORN (Dec. 22-Jan. 19) Today is a 5. Life is sometimes a balancing act. Robbing Peter to pay Paul can become an art. Not that you'd do that, of course.
AQUARIUS (Jan. 20-Feb. 18) Today is an 8. One of your pet theories could encounter opposition that causes you to rethink your whole plan. You'll be more successful this way.
PISCES (Feb. 19-March 20) Today is a 6. You may not be making more money, but you're making a real good impression. An important person is watching, and your efforts are not being overlooked.
