Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Aug. 13). During the first part of the coming year, you'll be busy with a study program. Next summer, you could be settling into a new or improved home environment. Something you built yourself, perhaps? It could happen.
 To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) Today is a 7. Let up on the accelerator just a bit, and check to see how far you've come. You're deep into new territory. Better watch out - new dangers lurk.
TAURUS (April 20-May 20) Today is a 5. Your job is to help get the message across. You might get through where others fail. You have an insider's advantage.
GEMINI (May 21-June 21) Today is an 8. Your love is secure, but at work, discretion is advised. Don't let your inner bliss bring unwelcome comments. Keep it private.
CANCER (June 22-July 22) Today is a 6. Quiet time with a person you love can be more meaningful than a long conversation. This is a good time for you and your loved one to get cozy in the privacy of home.
LEO (July 23-Aug. 22) Today is a 7. Learn as much as you can from a know-it-all as quickly

You're smart, and getting smarter. Recent victories lead to new challenges. Look forward to them - and beyond.
LIBRA (Sept. 23-Oct. 22) Today is an 8. A secret you've been keeping could be valuable if you were to use it against your friends. Don't do it, no matter what you're offered.
SCORPIO (Oct. 23-Nov. 21) Today is a 7. You're stronger and more determined now, but you still face tough competition. To save time, consider a compromise. Just make sure you hang on to whatever is most important.
SAGITTARIUS (Nov. 22-Dec. 21) Today is a 7. Push yourself and your companions early, then kick back. You'll be able to tell when it's OK to relax. You'll be tired and will want to hide out.
CAPRICORN (Dec. 22-Jan. 19) Today is a 5. Ask for what you want early, while the people who have it are feeling generous. Plan to spend a low-cost, highly interesting evening in the company of good friends.
AQUARIUS (Jan. 20-Feb. 18) Today is a 9. The light is green this morning, but later today or tomorrow your progress could halt. You may also be asked to explain your excessive enthusiasm. Be prepared.
PISCES (Feb. 19-March 20) Today is a 6. You
