Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Aug. 15). With just a little more effort, you can get your place just the way you want it. There will always be things that you could fix or change, of course, but you can come reasonably close to perfection. It won't be easy, but it will be immensely satisfying.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 6. Friends and loved ones disappoint. So what's new? Maybe your expectations were too high. Let reality replace fantasies.

TAURUS (April 20-May 20) Today is a 5. Try not to let your partner or mate dip into your savings. For the other person, there's a good reason to do so. Make sure you're in on the decision.

GEMINI (May 21-June 21) Today is a 6. After being turned down many times, you may be ready to quit. That's not an option. Ask for coaching, or delegate duties to a partner.

CANCER (June 22-July 22) Today is a 6. This is a time for evaluation and planning. Look at the reasons you can't have what you want, but don't let them stop you. Those reasons are just temporary impediments.

LEO (July 23-Aug. 22) Today is a 7. Expect one hassle after another for most of the day. Conditions are changing, and tomorrow should be glorious. Tonight could be kind of special, too. Spend the evening in a very private setting.

VIRGO (Aug. 23-Sept. 22) Today is a 6. You're one little voice in the wilderness, and sometimes things don't go your way. Be patient, and keep shouting.

LIBRA (Sept. 23-Oct. 22) Today is a 6. It won't be long now. You'll see. The truth will be revealed. It's close to what you expected, but not exactly. Relax.

SCORPIO (Oct. 23-Nov. 21) Today is a 6. If you've set up the dominoes properly, the wealth will soon tumble your way. You've still got a little time left. Get busy!

SAGITTARIUS (Nov. 22-Dec. 21) Today is a 7. You may be off to a sluggish start, but you'll get an energy infusion. Save the important decisions until you have your second wind. Or wait until tomorrow.

CAPRICORN (Dec. 22-Jan. 19) Today is a 5. You're a pretty good strategist, but you lack patience. Be prepared, because your big chance is coming soon.

AQUARIUS (Jan. 20-Feb. 18) Today is a 7. By now you've probably explained the whole thing to someone who may not be listening. Don't worry. This person can't stop you forever. Truth and justice will prevail.

PISCES (Feb. 19-March 20) Today is a 7. Others argue about things that concern you without asking for your advice. It's rather annoying to have them ignore you, but invisibility is a wise option right now.
