Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 1). You may have avoided positions of authority in the past, but that's no longer wise. Your team needs a thoughtful leader, and that person may be you. Don't be afraid. They're supportive, and you'll be very lucky.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 9. You're willing to listen and offer opinions, but don't waste the whole day talking. A loved one is stubborn about spending money, so offer a fun, cheap idea.

TAURUS (April 20-May 20) Today is a 5. It'll be easier to express your feelings tomorrow. Think about what you might say, so you won't be surprised if you say it.

GEMINI (May 21-June 21) Today is a 9. You've got it made! Whatever you don't know, you can figure out. Don't wait a moment longer. Make the commitment to doing what you love.

CANCER (June 22-July 22) Today is a 5. You like to have a fabulous home, and it's only right that you should. Don't spend a wad to make it that way... just let others think that you did.

LEO (July 23-Aug. 22) Today is an 8. One of the secrets of your success is that you actually do the homework. If you do it again now, you'll get way ahead of the pack.

VIRGO (Aug. 23-Sept. 22) Today is a 6. Your dreams may still slightly exceed your means, but that's OK. There's work to be done, and

you're in demand. Those dreams are your motivation.

LIBRA (Sept. 23-Oct. 23) Today is a 9. So many opportunities, so little time! You should finish the stuff you've already promised to take care of before you take on any more, but there's no time for that. Press on!

SCORPIO (Oct. 23-Nov. 21) Today is a 5. You're a great listener, as everyone knows. That's why they feel compelled to tell you almost everything. You don't even have to ask.

SAGITTARIUS (Nov. 22-Dec. 21) Today is an 8. Keep one of your desires secret, as you continue to develop a strong relationship. This one won't be confining. Actually, it could be quite liberating.

CAPRICORN (Dec. 22-Jan. 19) Today is a 5. There is much more than plenty. There is abundance. You can tap into it, too. You probably already know how, but if you don't, look around. It won't take you long to figure it out.

AQUARIUS (Jan. 20-Feb. 18) Today is an 8. If you've been reluctant to tout your own horn, get somebody else to do it for you. A professional may be able to sell your ideas better than you can. Advertise.

PISCES (Feb. 19-March 20) Today is a 5. You're in the spotlight, perhaps because you've taken on a tough assignment. Don't be shy. Just do your best. Success is assured.

105 TYPING/RESUME SERVICES
