Internet

Voice

Wireless

Wireless: Offer good until 9/30/02 and is waiver of usual \$35 activation fee for most Qwest Wireless plans except Q by Qwest™. Calls timed from send/talk to end/off. Completed calls billed in full minute increments rounded up to the next minute. One-year service agreement required. Subject to credit approval. One number service separately available from Qwest Communications for \$4.95 per month. Monthly rates are effective until 9/30/03, at which point customer may select a new Service Plan or be automatically migrated to a like Service Plan. A per-phone termination fee applies. Qwest coverage areas are shown on the coverage maps included with your Wireless Phone and are available on our Web site. Coverage maps are an approximate representation of the Qwest Wireless network, not a guarantee of service availability. Your Service Plan applies to a primary coverage area ("Home Coverage Area," which includes Expanded Home Coverage Area if you subscribe to it) in which you may utilize all the features and benefits of your Service Plan if you are on the Qwest Wireless network. You may be unable to place calls on the Qwest Wireless network, even in your Home Coverage Area. If you are unable to place calls on the Qwest Wireless network, you may be able to place calls through other providers; this is known as "roaming." Roaming is not available in all areas. You may or may not receive calls while roaming. Your Wireless Phone is set to allow roaming calls automatically. When you are roaming, your Service Plan features and billing advantages may not apply and additional roaming charges, which are subject to change without notice, will apply. If you do not wish to incur roaming charges, consult your Wireless Phone's user manual for instructions on disabling the automatic roaming feature (but note that if you disable the roaming feature, you will only be able to place calls on the Qwest Wireless network). If Qwest does not have a roaming agreement with another wireless provider, you may be able to use "Manual Roaming" which means you will be required to provide a credit card number to which the call will be billed at the provider's roaming rate. See Terms and Conditions for complete details. Long distance and roaming charges may apply. **Two-Way Text Messaging:** Service available only while on the Qwest Wireless network. Short Messaging System-capable phone and wireless carrier text service required. Maximum message length varies by handset. Qwest is not responsible for the security, content or accuracy of any message. Actual message delivery not guaranteed. Sending of unsolicited messages prohibited and may cause service termination. © 2002 Qwest Communications International Inc.

Crime Watch
