Golfers swing to success

Both the men's and women's golf teams are close to the top of their fields, while three Ducks stand in the top three individually

Someone forgot to tell Therese Winslow that freshmen are supposed to struggle.

Winslow, a true freshman, fired a 2-under par 71 Monday — putting her in a three-way tie for second place among individuals — after the first round of the Edean Ihlantfeldt Invitational at the Tacoma Country Club in Tacoma, Wash.

"Therese played a steady round of golf," Oregon head coach Shannon Rouillard said. "She just played super and is on the verge of some really terrific accomplishments."

The Ducks found themselves in ninth place after an opening round 312. They finished 20 strokes behind first-day leader Southern California. There are 11 teams in the field.

"If we could have counted another score in the 70s,

we would have been in really good shape," Rouillard said. "The competition in the tournament is definitely greater than in our opener, but I think our team can realistically see themselves competing with this field."

The tournament runs through Wednesday. The teams will play 18 holes per day.

Men stand in fifth place

With senior co-captains Chris Carnahan and John Ellis leading the way, the Ducks find themselves in fifth place after the first 36 holes of the Club Grove Intercollegiate at Saticoy Country Club in Somis, Calif.

Carnahan and Ellis both stand at 2-under, one stroke out of the lead. The Ducks carded a 585 over the first two rounds, nine strokes behind tournament leader and host Pepperdine.

"Chris and John had a real nice showing," Oregon head coach Steve Nosler said. "It is going to be exciting to have both of them competing for the individual title tomorrow, and they're both capable of winning it."

The tournament concludes today with 18 holes.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 8). You'll have to learn to balance and control the demands on your time and your money. You may be able to do everything, but not simultaneously. And if you get a windfall bonus, don't tell everybody. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 6. Sometimes you get to be bold and assertive, and that will soon happen again. If you want to make sure you're right, however, you'd better devise a good plan.

TAURUS (April 20-May 20) Today is a 7. You have the inside track. The person who has what you want will be susceptible to your charms after a few minor setbacks. Don't give up.

GEMINI (May 21-June 21) Today is a 7. There may be more to learn before true mastery is acquired. Theory and practice don't yet match. If you dig for the answers, you'll find them.

CANCER (June 22-July 22) Today is a 7. Don't allow a loved one or a child (possibly the same person) to spend you out of house and home. Lay down the law regarding the budget.

LEO (July 23-Aug. 22) Today is a 6. You're a natural optimist, and that's what you need now. You may not get everything, but you can sure improve your odds with your attitude.

VIRGO (Aug. 23-Sept. 22) Today is a 7. Your path is blocked by one thing after another. Luckily, you're good at puzzles. You'll get through, so

look forward to the challenge.

LIBRA (Sept. 23-Oct. 22) Today is a 7. Don't fret if money is still tight. Let your creditors know what's going on. They'll be very supportive if you keep them informed. And it's good to maintain the same sort of contact with your debtors.

SCORPIO (Oct. 23-Nov. 21) Today is a 7. You don't have much patience for idle speculation now. You want a solid plan that will really work. Make them go over it again and again until you're satisfied it's right.

SAGITTARIUS (Nov. 22-Dec. 21) Today is a 6. Something you've been worried about can be prevented through effective communication. Start by admitting that what you thought would work could conceivably fail.

CAPRICORN (Dec. 22-Jan. 19) Today is a 7. Discretion is a good idea, especially where money is concerned. You don't have to tell anyone how much you have or are planning to get.

AQUARIUS (Jan. 20-Feb. 18) Today is a 7. It'll be difficult, but not impossible, to convince influential people to go along with your theories. To do it, you'll need to have all the facts at your fingertips.

PISCES (Feb. 19-March 20) Today is a 7. Something you've been worried about can be prevented. Let your friends, and a gentle advisor, in on your situation. They'll help in unexpected ways.
