Another tournament, another record for Therese Wenslow.

Wenslow set the record for the lowest three round score by a freshman, carding an even-par 219, after a 1-under final round Wednesday at the Edean Ihlanfeldt Invitational at Tacoma Country club in Tacoma, Wash.

Wenslow, a native of Bunkeflostrand, Sweden, and the first Swede to ever play for the Ducks, broke the old record of 222, finishing in fifth place.

"Therese just played awesome, solid golf," Oregon head coach Shannon Rouillard said. "It's a great accomplishment to get another record in just her second tournament. I'm so proud of her."

Two weeks ago, Wenslow set the Oregon freshmen record for the low-

est single round score, firing a 3-under 69 in the second round of the Shanico Invitational in Corvallis.

Southern California's senior All-American Mikaela Parmlid, also from Sweden, won the individual title after a playoff with Pepperdine's Lindsey Wright.

As a team, the Ducks didn't fair as well, finishing in 11th place with a three-round total of 942, including a final round of 315. The Ducks shot 312 and 315 respectively over the tournament's first two rounds. The Trojans won the tournament with an 885.

"The four scores that we counted the last two days weren't too high, I think it's just a matter of gaining experience and making a few adjustments," Rouillard said. "Hopefully we gained some of both today."

True freshman Erin Andrews carded a final-round 81, ending the tournament in 44th place at 239. Sophomore Johnna Nealy finished in a tie for 45th at 240, including a final round 81.

The Ducks' next tournament is the Pepsi Intercollegiate held at the Stanford golf course Oct. 18-20.

Panova won 6-1, 6-7, 6-4, in her third consecutive three-set match.

"There were a couple close calls, but she (Panova) stuck it out," Oregon assistant coach Kathy Sell said. "She played well and fought hard."

Panova battled to defeat preseason No. 32 Anne Nguyen of Georgia in her first consolation back draw match.

Bowls.

Since he took over as Bruin head coach, Toledo has turned UCLA into a fun-'n'-gun squad with an up-tempo offense, a style that may have come to fruition Saturday in Corvallis. The Bruins romped over the Beavers 43-35 in a crucial Pac-10 matchup.

But the team that might have benefited the most from Toledo's time is Oregon.

"(The Oregon offense) has gone from Bob Toledo to Mike Bellotti to Al Borges to me to Tedford and now to Andy (Ludwig)," Koetter said.

"They've kept the best of all those coordinators in that package. They have some really good stuff."

"I've been very fortunate to hire good people and certainly, many of them have gone on to get good jobs."

Mike Bellotti
Oregon head coach

Koetter presided over Bellotti's offenses in the early years of the

current coach's tenure. He presided over another great quarterback, eventual first-round draft pick Akili Smith.

"I think having Neal Zoumboukos and Gary Campbell in there has a lot to do with it," Koetter said of the Oregon assistant's mystique.

Zoumboukos and Campbell are the offensive line and running back coaches, respectively, who have 41 years of Oregon coaching experience between them. While many other coaches have come and gone, the pair are the only two coaches other than Bellotti strength and conditioning coach Jim Radcliffe with more than 10

years of Oregon experience.

"In the past, you might have said we did more with less," Bellotti said. "We didn't get an abundance of great athletes but we did a good job coaching."

"I've been very fortunate to hire good people and certainly, many of them have gone on to get good jobs."

The most recent Bellotti mentoree to hit the big time is Tedford, Oregon's most recent offensive coordinator who has turned around the program at California.

Bellotti said there is a flip side to losing all your assistants to other programs: Top-flight coaches want the vacated jobs.

"For our last offensive

coordinator job I had a former head coach from the Pac-10, an offensive coordinator from the NFL," Bellotti said. "It's really a significant opportunity for improvement in the people to select from."

Toledo said it's a mark of respect when coaches leave a program.

"As a head coach, it makes you feel good that people are coming after your coaches, because if they're not, you're probably not doing a good enough job," Toledo said.

So it's a mark of respect. Even when coaches seem to be using your program as a stepping stone.

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 10). Your quest this year is for wisdom, and it won't always be easy. Make sure to check what you learn in books against your own experience before deciding whether it's true. Don't give your heart too freely or your money, either.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is an 8 _ You're full of lofty ideas, but you'll have trouble convincing a person who means a lot to you unless you're also practical. Show how this will make or save money.

TAURUS (April 20-May 20) _ Today is a 5 _ Count up your pennies, nickels and dimes. Don't forget to pay yourself for finding a little away. This is an excellent day for hiding a good hiding place.

GEMINI (May 21-June 21) _ Today is an 8 _ You're getting smarter, and soon it'll be easier to express your love. The bad news is that something you depend upon requires repair. It doesn't work all that well any longer.

CANCER (June 22-July 22) _ Today is a 5 _ Feel as if you're being asked to do too much for way too little? Splurge on a special treat for yourself. Take care of your own well-being.

LEO (July 23-Aug. 22) _ Today is an 8 _ You've been bogged down in details, but not without good reason. All those clues you've been collecting will soon start making sense. That'll be the fun part.

VIRGO (Aug. 23-Sept. 22) _ Today is a 5 _

You're getting better at doing the calculations, and that could lead to a pay raise. Take a refresher course to sharpen your skills and increase your status.

LIBRA (Sept. 23-Oct 22) _ Today is an 8 _ Careful deliberation may not be one of your strong points, but you can learn how to do it if you must. It's not a bad idea if you want to stretch your money.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 6 _ You're naturally sensitive to the feelings of others. You may notice that talent intensifying over the next few weeks, prompted by a flood of old memories. Make a change... a change back... for the better.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 7 _ You're always a stickler for telling the truth, now more than ever. You don't really care what might happen next, but take it into consideration.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 5 _ It's easier to gather data now than it will be in a couple of days, so don't just sit there. Call your friend who's in the know.

AQUARIUS (Jan. 20-Feb. 18) _ Today is an 8 _ Pushing a little harder now can get you a lot farther. A friend is there for you at just the right minute. Teamwork is your ace in the hole.

PISCES (Feb. 19-March 20) _ Today is a 6 _ A task at home you thought was completed will have to be done again. Don't make it harder by resisting. Doing it quickly will make things much easier.
