

A letter to our readers

Emerald readers,

We're excited to publish our first comprehensive guide to Eugene area restaurants. On the following pages, listings are organized to highlight the wide variety of food available in town. The information, provided by the restaurants, includes address, phone, and price range.

In addition, several restaurants provided meals to our staff "reviewers" so they could share with you a student's perspective on the dining experience. We hope you enjoy their stories and use the listings regularly to explore all the great eating spots in Eugene.
