Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 14). You'll find the perfect words to express your love this year and to express just about everything else. Write that book you've been thinking about, or at least those letters you owe. It's also a great year to either take or teach a class. There will be details that could trip you up, so watch out for them.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is an 8. A group effort to reach an "impossible" goal proves most effective today. Include a miracle in your computations. A good one is like to happen.

TAURUS (April 20-May 20) Today is a 5. If you focus on service, you'll also find respect and admiration. This could lead to nice profit, too, after you've gained the experience.

GEMINI (May 21-June 21) Today is a 10. The breakthrough you've been working toward seems to be here at last. By accepting certain limitations, suddenly you're free. Congratulations!

CANCER (June 22-July 22) Today is a 5. Plan a "comfort food" dinner in order to alleviate tension. The conversation is apt to be about money and priorities. Everyone will feel much better after all this is decided.

LEO (July 23-Aug. 22) Today is a 7. Bold, huge ideas could work for you now. You don't have to come up with them all. A visionary friend will be glad to assist you.

VIRGO (Aug. 23-Sept. 22) Today is a 6. There's less time for fun and games, but don't complain. Get your routine going right, and this busy day will go by in no time at all.

LIBRA (Sept. 23-Oct. 22) Today is a 9. Money is still tight, but there's no limit to your creativity. You could break clear out of the box with a project you begin now. Express yourself!

SCORPIO (Oct. 23-Nov. 21) Today is a 6. Don't hold out for a minor point and lose something more important. Be willing to give up something you want to get something bigger.

SAGITTARIUS (Nov. 22-Dec. 21) Today is an 8. Traveling may be difficult, especially long distances. Luckily, you'll find just about whatever you need, including information, from where you are.

CAPRICORN (Dec. 22-Jan. 19) Today is a 6. Figure out what important people want, and make sure they get it. That's the secret of your success for most of the rest of the month. Maybe forever.

AQUARIUS (Jan. 20-Feb. 18) Today is an 8. You've moved past the worst part. There are a few more details to handle, which won't be a problem. You're on a roll.

PISCES (Feb. 19-March 20) Today is a 6. Flexibility is a major asset now. Be willing to let go of old fantasies so that you can construct new and better ones.
