Horoscope by Linda C. Black

TODAY'S BIRTHDAY (OCT. 21). You have a knack for making money this year, but will it all slip through your fingers? Can you find a safe place where you can stash some away for later? That's the challenge you're facing. Copy a Taurus who's financially secure. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. **ARIES** (March 21-April 19) _ Today is an 8 _ OK, now it's time to get back to the grind and continue to bring in the money. Also, clamp down on expenses. It's true that money saved is money earned. **TAURUS** (April 20-May 20) _ Today is a 6 _ Not much gets by you, but don't broadcast how much you know. Instead, use your information to further your objectives. **GEMINI** (May 21-June 21) _ Today is an 8 _ Better move quickly on a romantic matter. Don't put it off any longer. Finish up something you promised to do, even if it involves a commitment. **CANCER** (June 22-July 22) _ Today is a 7 _ Continue to fix up your place, even if you have to make a big mess first. The opportunity for romance comes soon. You're creating ambiance. **LEO** (July 23-Aug. 22) _ Today is a 7 _ The more you learn, the more others depend on you. Want to take over the company and run it right? Keep studying. **VIRGO** (Aug. 23-Sept. 22) _ Today is a 7 _ An early flurry of activity should ease into a

phase of relative serenity. Keep that in mind when things get tense. The worst is almost over. **LIBRA** (Sept. 23-Oct 22) _ Today is an 8 _ You don't yet have the resources to accomplish everything you envision. With a little help from your friends, however, anything is possible. **SCORPIO** (Oct. 23-Nov. 21) _ Today is a 6 _ It may feel as if the weight of the world is on your shoulders. If so, don't falter. Don't go it alone, either. Get a buddy to help. **SAGITTARIUS** (Nov. 22-Dec. 21) _ Today is a 7 _ You have new stories to tell, but not during working hours. A big job deserves your attention now. Put off playtime until Thursday. **CAPRICORN** (Dec. 22-Jan. 19) _ Today is a 7 _ Heaven knows you've worked enough on weekends. Think you could find time to play during the week? Like, tonight? Totally legit, of course. **AQUARIUS** (Jan. 20-Feb. 18) _ Today is a 9 _ You've had a chance to develop new theories. Now let's see which ones of them work. Be especially aware of rules and regulations, including the law of gravity. **PISCES** (Feb. 19-March 20) _ Today is a 6 _ You should soon start to notice a subtle shift in your favor. A barrier is dissolving, and you'll also have more energy. Sometimes we win just by hanging
