Horoscope by Linda C. Black

TODAY'S BIRTHDAY (OCT. 22). Continue your studies this year. They'll make a big difference. Cut through the fluff and get down to the basics. Symbolism is out of style. It's substance you need. Sell that, and make your fortune.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. **ARIES** (March 21-April 19) _ Today is a 7 _ You could set up a system that brings in a lot _ not just now but well into the future. It might involve furthering your education.

TAURUS (April 20-May 20) _ Today is a 6 _ A complicated scheme will run into difficulty, so don't gamble with your resources. Keep it simple in order to win.

GEMINI (May 21-June 21) _ Today is a 7 _ Feeling the pressure of old obligations? Finish those up before taking on a new project. And hurry. The new project is waiting in the wings.

CANCER (June 22-July 22) _ Today is a 7 _ Your friends won't let you spend a cent on something they can give. And vice versa, of course, so work out an equitable trade.

LEO (July 23-Aug. 22) _ Today is a 6 _ If you're feeling compelled to take control, relax. It's totally natural. Talk about what you're discovering with someone who can help you do something about it.

VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ A very interesting person would be delighted to have more of your attention. It may not be

easy to make the connection, but do what you can without forgetting to do your job. **LIBRA** (Sept. 23-Oct. 22) _ Today is a 7 _ Put romance on hold for a while and take care of business. Once you get a little more security, a celebration will be more appropriate (and more affordable).

SCORPIO (Oct. 23-Nov. 21) _ Today is a 6 _ No point banging your head against a brick wall. Send your best information to a person who can get through or go around, and do something with it.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ Focus your immense mental energy on finishing your task. One of your past difficulties may have been a tendency to get distracted easily. Bring yourself back into focus.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 7 _ You're very practical, but every once in a while you blow your budget in the name of love. At the time, you'll think it's totally appropriate, and it may be. This could happen again soon.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ Don't assume that anything will work the way it once did. Check and double-check your equipment. Actually, this is a better day to stay home in bed.

PISCES (Feb. 19-March 20) _ Today is an 8 _ If you get the chance to go back to school, accept. Otherwise, keep up your studies on your own. This is important now.
