Horoscope by Linda C. Black

TODAY'S BIRTHDAY (OCT. 23). You've always been able to spot a phony, and this year it'll be even easier. Your fortunes may still be fluctuating, which makes your good judgment more important. Renovate instead of moving, and repolisher rather than buy new. You'll get more for your money. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 6 _ You're entering a practical phase. For the next several weeks, make a plan. Figure out what you want to accomplish this year, and break it down into monthly chunks. This will work.

TAURUS (April 20-May 20) _ Today is a 7 _ If you've been keeping your part of the deal, your luck will soon change for the better. Your partner's about to gain a distinct advantage, and you may get in on it.

GEMINI (May 21-June 21) _ Today is a 6 _ A plan should begin to formulate. It means work, but you'll be in the mood to work over the next few weeks. Might as well make the most of it.

CANCER (June 22-July 22) _ Today is an 8 _ You're entering a lovely phase for reinforcing old ties. Commitments based on love will last, the others will fall apart. Let 'em go.

LEO (July 23-Aug. 22) _ Today is a 6 _ If you anticipate technical difficulties, maybe you can prevent them. That would sure be nice, since you're moving slowly now. The fever surprises, the better.

VIRGO (Aug. 23-Sept. 22) _ Today is an 8 _ The challenge is to make a date and/or sign

up for a class without losing your job or making a costly mistake. It can be done, but it requires finesse and creative scheduling.

LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ You're entering an intense four-week phase that should be good for business. Figure out what you've got and what you owe so that you can make the most of your time and money.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 7 _ You're most comfortable in a committed relationship that's based on trust, so lead the way. You usually don't have to put your feelings into words, but it would be good to do that now.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 5 _ You can't do it all by yourself. That's obvious. But if you get a few friends to help, anything is possible. Call and let them know what you need.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 7 _ You've been working your tail off lately, but life should soon get easier. A routine is being established, and it'll be accompanied by a growing sense of security _ and not a moment too soon.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 5 _ Conditions are changing. You'll be asked more often in the next few weeks to prove you know what you're talking about. With practice, you'll do fine.

PISCES (Feb. 19-March 20) _ Today is an 8 _ What you're learning helps you realize how unrealistic you've been. Abandon a method that can't succeed, and adopt one that most likely will.
