Halloween Preview

October 28

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (OCT. 24). Looks like you could really whip your place into shape this year. Follow through on ideas you've had for quite a while. Fantasize beyond your means. What you can't afford to buy, you can find or make some other way. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) _ Today is a 7 _ Harness that energy for which you're so famous. Exercise discipline. The more you learn now, the more you'll accomplish. Study!

TAURUS (April 20-May 20) _ Today is a 6 _ Don't get too exuberant yet. There's still work to be done. But, as you're starting to suspect, the rewards could be great. Put in the extra effort.

GEMINI (May 21-June 21) _ Today is an 8 _ You're full of helpful comments again, but don't be too eager to share them. Others will listen more readily if you wait until they ask.

CANCER (June 22-July 22) _ Today is a 7 _ You're pretty good at arranging for things to happen the way you want. A couple of phone calls should do the trick, setting up a deal they can't.

LEO (July 23-Aug. 22) _ Today is a 7 _ Friends offer lots of advice whether they're asked or not. Some of it might actually help solve a domestic problem. It's worth a try.

VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ Better give a challenging assignment your full attention. You've recently thought of several new ways to spend your money, so you'd better make sure it keeps coming in.

LIBRA (Sept. 23-Oct. 22) _ Today is an 8 _ Fancy theories won't get you far. Practical experience is what you need. Use it to reach out and try something bold. Take a calculated risk.

SCORPIO (Oct. 23-Nov. 21) _ Today is a 6 _ Security is a state of mind that doesn't require money. The former might even help create the latter. Go into negotiations with a sense of abundance.

SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 6 _ Even if you're worried, or if you're being nagged, don't give up. Don't try to do it all, either. You must learn to delegate. You're a great communicator, so it'll be easy.

CAPRICORN (Dec. 22-Jan. 19) _ Today is a 6 _ Your workload is increasing, but an influential friend will be a big help. All you have to do is ask. It shouldn't cost you too much.

AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ You're still strong, and you'll get the chance to prove it. Continue to gather information, but dispense it on a need-to-know basis. Retain your advantage.

PISCES (Feb. 19-March 20) _ Today is a 7 _ Domestic activities demand your attention, and it's about time. Straighten things up and make other improvements, because this weekend is a great time for a party.

PISCES (Feb. 19-March 20) _ Today is an 8 _ What you're learning helps you realize how unrealistic you've been. Abandon a method that can't succeed, and adopt one that most likely will.
