Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 28). Do your best to increase the fortunes of others this year, and they'll return the favor. Your emotional support and good advice won't go unnoticed, partially because you won't let that happen. Stand up for yourself... subtly, of course. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. **ARIES** (March 21-April 19) Today is a 6 - Focus on what you want to accomplish, and give it a final push. A friend or partner may do the deed because of your inspirational nagging. **TAURUS** (April 20-May 20) Today is a 7 - It might be tough to talk about an area of disagreement. Maybe it would help to give yourself two minutes each. That also gives each of you two minutes to listen. **GEMINI** (May 21-June 21) Today is a 7 - There's money to be earned; make that your top priority. This can be just what you need to finance a recurrent dream. **CANCER** (June 22-July 22) Today is a 7 - A disagreeable situation at home can be resolved. A change may that you've been putting off may be required. You might as well stop putting up with something you've been tolerating. **LEO** (July 23-Aug. 22) Today is a 6 - You don't like being told you can't have what you want. You'll have a fight on your hands, but so what? No pain, no gain. **VIRGO** (Aug. 23-Sept. 22) Today is a 7 - You'll soon have to make some tough decisions.

Finish up whatever you're doing to make time for what's coming. **LIBRA** (Sept. 23-Oct. 22) Today is a 7 - Look for the perfect moment to make your move. Others are furthering their agendas. If you're quick, you can further your own. **SCORPIO** (Oct. 23-Nov. 21) Today is a 7 - Concentrate on acquiring the home you've always wanted. It's not an impossible dream. Do the planning so that you're ready to take action tomorrow. It's one more step in the right direction. **SAGITTARIUS** (Nov. 22-Dec. 21) Today is a 6 - You've been doing a lot of cleanup lately, so you should be getting good at it. See how many odds and ends you can take care of by tomorrow. **CAPRICORN** (Dec. 22-Jan. 19) Today is a 7 - Recent frustrations can be eased by plugging an economic leak. You can't do it alone. This takes a team effort. Bring up the subject. **AQUARIUS** (Jan. 20-Feb. 18) Today is a 6 - New information renews your faith in others and in yourself. After a few setbacks, you'll finally get something to work. You're getting the bugs out. **PISCES** (Feb. 19-March 20) Today is an 8 - Getting back into the weekly chores means a rude awakening. Memories linger, but don't make the call to discuss them until the big job is done.
