Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Oct. 29). What's good for business is good for you, and fringe benefits count as pay. You'll be rewarded if you help build a solid structure to keep things going. You provide the security, the motivation and the deadlines. You're good at this! To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. **ARIES** (March 21-April 19) _ Today is a 7 _ Be patient with someone you love very much. Include his or her concerns in your planning. You don't want to do something silly or wrong. You never would hear the end of it. **TAURUS** (April 20-May 20) _ Today is a 7 _ Keep at it, even if feelings get hurt. Feelings are important, of course, but they shouldn't be the deciding factor. Apologize, then get back to the facts. **GEMINI** (May 21-June 21) _ Today is a 7 _ You're testing some of your limits. This is good. It's a sign of expansion. You're getting too big for a box that used to be quite cozy. Prepare to step out. **CANCER** (June 22-July 22) _ Today is a 6 _ There's not enough money to do what you want. So what else is new? This isn't forever; it's just a delay. It's also motivation. **LEO** (July 23-Aug. 22) _ Today is a 7 _ Can you defeat a stubborn adversary? Only with help from a friend. Build a good, practical argument and stick to it. Logic might prevail over emotion. **VIRGO** (Aug. 23-Sept. 22) _ Today is a 5 _ If you're stuck, perhaps it's because you're receiving conflicting orders. You can't serve

two or three different masters. Let them work it out before you proceed. **LIBRA** (Sept. 23-Oct. 22) _ Today is a 7 _ You can do a favor. Ask around. Somebody's getting really upset, failing at a task you could do easily. Offer your services and make a friend for life. **SCORPIO** (Oct. 23-Nov. 21) _ Today is a 5 _ You may notice that it's more difficult to get what you're going after. You may have to make do with something you already have. This could eventually work to your benefit. **SAGITTARIUS** (Nov. 22-Dec. 21) _ Today is a 7 _ It sure would be fun to race off and do wild, crazy things, but it wouldn't be smart. You may have already figured that out. Stand firm. **CAPRICORN** (Dec. 22-Jan. 19) _ Today is a 6 _ If anybody can figure out how to manage the system, it's you. You can put away plenty for the future by using creativity and imagination now. **AQUARIUS** (Jan. 20-Feb. 18) _ Today is a 6 _ It's OK if somebody doesn't agree with you, as long as your objectives are achieved. That's also what's best for the whole group, of course. **PISCES** (Feb. 19-March 20) _ Today is a 7 _ Things aren't going smoothly, but don't be dismayed. The delays aren't really your fault. Seems like everyone has one more thing to say. Wait until they get it all worked out.
