Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 6). The money will be coming and going quickly this year. Can you hang onto it? That's the game. Set up a budget and stick to it, even when you've got a lot of cash on hand, and you'll end up the big winner.

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 7. Make time for an outing with friends, even if it's only a lunch date. Getting a break will help you prepare for a tough assignment Friday.

TAURUS (April 20-May 20) Today is a 6. Better stay involved in the next big domestic purchase. Point out what's affordable and what's not. Your partner isn't as good at that as you are.

GEMINI (May 21-June 21) Today is a 6. Allow your experience to be overruled by somebody else's enthusiasm. Just because something's never worked for you before, that doesn't mean it never will. A transformation is taking place.

CANCER (June 22-July 22) Today is a 6. Now comes the hard part, where you figure out what to do next. The old rules may not work in a new game. Better find out what the new rules are.

LEO (July 23-Aug. 22) Today is a 6. Upcoming changes should turn out well for you, although you may not immediately understand how. Having friends helps. Support them however you can.

VIRGO (Aug. 23-Sept. 22) Today is a 5. You may have an uncanny ability to figure out what's going on before anybody else does. If so, tell the people who'll use the information for the benefit of all. In other words, the good guys.

LIBRA (Sept. 23-Oct. 22) Today is an 8. The odds are you'll soon get involved in a fascinating conversation. Better block out time for it. It wouldn't hurt to arrange the location, either. Coffee and croissants would be nice.

SCORPIO (Oct. 23-Nov. 21) Today is a 7. A financial setback could temporarily throw you off stride if you let it. Pretend everything's OK as you rearrange your holdings, and pretty soon everything will be.

SAGITTARIUS (Nov. 22-Dec. 21) Today is a 7. It may be time to bring a rocky relationship to a close. Being willing to end it could be a good catalyst for change, too - one way or another.

CAPRICORN (Dec. 22-Jan. 19) Today is a 7. Do you have the feeling you ought to be doing something, but you don't know what? Well, maybe the emergency hasn't happened yet. Be extra alert through Thursday.

AQUARIUS (Jan. 20-Feb. 18) Today is a 7. Discuss recent frustrations with your friends. That'll help you feel better, and it may even lead to a way to solve your problem. And there is a way - you just haven't found it yet.

PISCES (Feb. 19-March 20) Today is a 7. Be on your best behavior, because somebody important is watching. Don't be inhibited. Polish your performance. You've got talent. Flaunt it!
