Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 7). You could do quite well financially this year, but you'll need more than just good luck. You'll need to have a strategy, a goal and a set of rules, or you could easily go right through your money. Discipline is your key to success. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 7 - Playing hard together can take the place of a meaningful conversation. Let old difficulties be forgotten. You may never have to talk about them at all.

TAURUS (April 20-May 20) Today is a 7 - The bargains are out there, and now is a good time to find them. Recent cutbacks have improved the quality of used stuff and brought down the prices. Never pay retail!

GEMINI (May 21-June 21) Today is a 6 - You're determined to succeed, but that doesn't mean you can't accept help. Delegate the part that's getting to be way too hard.

CANCER (June 22-July 22) Today is a 6 - Money may be tight, but there are things you can do to turn that around. Taking on a job nobody else wants is the most reliable way.

LEO (July 23-Aug. 22) Today is a 6 - Odds are good you'll have to give up one thing to get another. Give up an old fear and get something better.

VIRGO (Aug. 23-Sept. 22) Today is a 5 - When there's a disruption, it's always nice to have somebody around who can set priorities and tell the others what to do next. You're not usually the leader, but this time you might be.

LIBRA (Sept. 23-Oct. 22) Today is an 8 - You may be doing more listening than talking, but that's OK. The perfect place for you now is in the presence of a teacher you respect and admire.

SCORPIO (Oct. 23-Nov. 21) Today is a 6 - This is not a good time to take a risk. There are enough changes going on already. Don't borrow much, either. The cost would quickly become too high.

SAGITTARIUS (Nov. 22-Dec. 21) Today is a 7 - You're like Diogenes, the mythical figure who kept looking for an honest man. You might find one, but you'll probably discover a few of the other kind, too. Just keep telling the truth, and you'll attract the same.

CAPRICORN (Dec. 22-Jan. 19) Today is a 7 - Since you're so practical and hardworking, people call on you when they're in a jam. It's happened before, and the odds are good it'll soon happen again.

AQUARIUS (Jan. 20-Feb. 18) Today is a 7 - You like things to be pleasant, but that may not be possible now. A friend and/or loved one has to make a decision. Be supportive, but let him or her figure this one out.

PISCES (Feb. 19-March 20) Today is a 7 - You're not going to be able to stay in the same old rut much longer. Keep your objectives in mind so that whichever way you go, you'll be headed in the right direction.
