Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 8). Your ability to concentrate will be even better than usual this year. Make the most of this talent by setting up a study program. Pick a skill you want to master, then practice, practice, practice. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) Today is a 5. If you need help managing your savings portfolio, ask the richest person you know. You have a knack for bringing in extra money now, but don't rely on luck.
TAURUS (April 20-May 20) Today is a 9. Roam a little farther, just for the fun of it. An older person can introduce you to a new idea. Present it with your own unique twist, and soak up the applause.
GEMINI (May 21-June 21) Today is a 5. Idealism is great, but what you need now is a strong dose of pragmatism. Cut the frills and go for what works. If you don't know which is which, ask somebody who does.
CANCER (June 22-July 22) Today is a 7. You don't like to be bossed around unless it's by somebody who really knows what they're doing. If you encounter one of those people now, it may be a match made in heaven.
LEO (July 23-Aug. 22) Today is a 5. Why does everything seem to pile up at the last minute? You don't have time to figure out why, though it may be your own fault. Hustle! All ends well.
VIRGO (Aug. 23-Sept. 22) Today is a 9. You could be the right person for the job, and not just in your career. You've got what it takes in romance, too. Step forward with

confidence. Lookin' good!
LIBRA (Sept. 23-Oct. 22) Today is a 5. You may have been a tad thoughtless or impractical lately. If so, you'll soon discover the error of your ways, not to mention the consequences. If you offer to make up for it, there could still be a happy ending.
SCORPIO (Oct. 23-Nov. 21) Today is an 8. You sometimes pretend that you know it all, but the truth is, you're still learning. You're a quick study, but don't make too many outrageous claims. New skills take practice.
SAGITTARIUS (Nov. 22-Dec. 21) Today is a 5. Time to get back to counting pennies and pinching a few. You're a spontaneous person, but you can have a strategy, too.
CAPRICORN (Dec. 22-Jan. 19) Today is a 9. You're pretty much in control of the situation, or you should be. You're the one who'll know when it's exactly the right time to act, and when it's not. Make sure the others agree.
AQUARIUS (Jan. 20-Feb. 18) Today is a 5. Do you have the feeling somebody's looking over your shoulder, waiting to rat on you? Maybe you're paranoid, but maybe it's an intuitive warning.
PISCES (Feb. 19-March 20) Today is a 9. You can be a big help and still benefit in the process. Do something nice for a friend of yours and get something nice in return.
