Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 12). This year will be great for finishing up household renovations. Remodel, add a room, or simply paint the kitchen—the choice is up to you. You don't need to spend more than you can afford to win praise and admiration. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. **ARIES** (March 21-April 19) _ Today is a 7. There's a lot of talk going on, but how much of it will produce results? Some ideas are too expensive, and some just flat won't work. Be choosy before offering your support. **TAURUS** (April 20-May 20) _ Today is a 6. Another day, another step closer to success. Use wisdom gained the hard way to bring in more money and allow you to spend less. Ignore those who say it can't be done. **GEMINI** (May 21-June 21) _ Today is an 8. Push toward your goals even if achieving them seems impossible. It's good to have intentions that are borderline insane. **CANCER** (June 22-July 22) _ Today is a 7. Once you've finished your business (which shouldn't take long), you'll have more time to play. Get the important stuff involving other people's money out of the way ASAP. **LEO** (July 23-Aug. 22) _ Today is a 6. Don't even try to explain. Let somebody else do that for you. Also ask them to do the research to support your claim. They'll do a better job than you would. You can write the checks. **VIRGO** (Aug. 23-Sept. 22) _ Today is a 6. What you've been working on has not been overlooked. You're attracting attention, and

that could lead to more work. Better enlist a partner who can help with some of your other duties. **LIBRA** (Sept. 23-Oct. 22) _ Today is a 7. Check again to make sure everybody's on the right track. Let them know what they've accomplished and what's expected next. Your team can win if everyone is after the same goal. **SCORPIO** (Oct. 23-Nov. 21) _ Today is a 5. It may feel as if you're talking to a brick wall. The person you want to convince is pretty firmly set. Try listening instead. That may take him or her by surprise and allow you to get a point across. **SAGITTARIUS** (Nov. 22-Dec. 21) _ Today is a 6. You've been making all kinds of changes lately, so why not a renovation at home? It's worth discussing with the family. **CAPRICORN** (Dec. 22-Jan. 19) _ Today is an 8. Worries about business soon fade, as your curiosity takes you down a new path. Don't invest in more than your own education for a while. You've got a lot to learn. **AQUARIUS** (Jan. 20-Feb. 18) _ Today is a 6. Considering how intelligent you are, money shouldn't be a problem, right? Use that fabulous brain of yours to concoct a scheme, starting tonight. **PISCES** (Feb. 19-March 20) _ Today is a 7. Scratch those last few chores off your list so that you'll have a clear conscience. That'll make it easier to concentrate on love.
