Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 13). Love is more important than money. That's good to remember this year, as love will be plentiful. Money might not be. Make it a rule not to argue with loved ones about money, and you can have both instead of neither. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. **ARIES** (March 21-April 19) Today is a 5. If you feel like hiding out, you're forgiven. Take some time to think things over. It's actually not a bad idea to ponder possibilities before Friday. **TAURUS** (April 20-May 20) Today is an 8. Win or lose, you've recently made it past some big challenges. A celebration is in order, but not one that eats up all your profits. Show off your ability to make a treat that looks expensive and isn't. **GEMINI** (May 21-June 21) Today is a 6. Talking won't get you anywhere now. Listening is what's required. Can you do it without arguing? Try. If you suspend disbelief, you may achieve faith. **CANCER** (June 22-July 22) Today is a 9. Are you in the groove? Almost! Just make sure you don't break the rules. There's a good chance you'll get caught if you do. **LEO** (July 23-Aug. 22) Today is a 5. It's time to acknowledge somebody who's been there for you, rain or shine. This isn't just a gift from you; it's payback. **VIRGO** (Aug. 23-Sept. 22) Today is an 8. You can make good things happen, and sometimes you can intervene so that bad things don't occur. Look for chances to help maintain the balance. Your input is important. **LIBRA** (Sept. 23-Oct. 22) Today is a 5. If you expect delays and surprises, they'll be less annoying. Have a couple of backup plans, and possibly an escape route, figured out. It's good to be flexible, but also be prepared. **SCORPIO** (Oct. 23-Nov. 21) Today is an 8. You have an ace that your adversary doesn't know about. While he or she is fumbling around, you and your teammate advance toward the goal. No need to explain. **SAGITTARIUS** (Nov. 22-Dec. 21) Today is a 4. Don't be hasty. You'll end up with a bigger mess. Better discuss what you have in mind before you do it. Others want to have input, too. **CAPRICORN** (Dec. 22-Jan. 19) Today is a 7. You started out feeling pretty smart, but you might end up wondering. Old skills aren't working in a new situation. Don't be too hard on yourself. This always happens when you're growing. **AQUARIUS** (Jan. 20-Feb. 18) Today is a 5. You can provide a service that's desperately needed. The people want it, and if you take it to them, you can get rich. Make life easier for them. That's your specialty. **PISCES** (Feb. 19-March 20) Today is an 8. You need to hang out with somebody who understands you. Somebody to whom you can talk freely. Schedule a rendezvous at a nice restaurant for tonight or tomorrow.
