Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 14). Stick to your budget even when it doesn't seem necessary. Don't take any big risks, even in the name of love. The family is looking to you more for security this year than for outrageous promises or expensive toys.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) Today is a 5 - The more time spent in preparation now, the less time it'll take to get where you're going when you have to move quickly. Do everything by the book. It'll make a difference.
TAURUS (April 20-May 20) Today is an 8 - Help a sensitive but impractical friend make a good decision. Some people have common sense and some don't. You do. Guess it isn't really all that common.
GEMINI (May 21-June 21) Today is a 6 - Things won't go according to plan. Expect disruptions, and be prepared to adjust a system that's worked before. It's called growth, or breakdown - you choose.
CANCER (June 22-July 22) Today is a 9 - Your intuition should be working well, so use it to steer around a potentially awkward situation. Don't push too hard in your enthusiasm. You might break something.
LEO (July 23-Aug. 22) Today is a 5 - The money isn't there for toys or for going out and playing with your friends. You'll find it, though, for turning a long-overdue household improvement.
VIRGO (Aug. 23-Sept. 22) Today is an 8 - Don't let people in positions of authority do or say hurtful things. You don't have to obey
