### Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 20). You could be quite successful in business this year, especially managing other people's money. It isn't always easy, however. It's going to take concentration, and you're going to have to work out a plan. Minimize surprises by doing the homework. Speaking of homework, fixing up your place is a good idea, too. To get the advantage, check the day's rating; 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) Today is a 7. You're successful, in part because you're quick. Also because you're smart. When time is short, you do only what's necessary. Practice now so you'll know what that is. TAURUS (April 20-May 20) Today is a 6. Any chance to get more money coming in? You bet there is! It's not by taking a risk, either. It comes from your willingness to do more of something you do very well. GEMINI (May 21-June 21) Today is an 8. They're finally asking for your opinion. Don't tell all you know. Refer them to an expert - one who agrees with you, of course. That'll make you look even smarter. CANCER (June 22-July 22) Today is a 6. You've got a list of things to do, but do you have a plan? Now is a great time to draw one up. List the tasks, and figure out when you'll work on each of them. You'll end up with more time. LEO (July 23-Aug. 22) Today is a 7. It's much easier to get your point across when you have a receptive audience. Lines that got groans earlier this week will bring rounds of applause. Try again. VIRGO (Aug. 23-Sept. 22) Today is a 7. An important person seems to be relying on you more and more. There's a reason for that. It's your common sense. As you know, it's actually not all that common. Understand that you're valuable even if it isn't mentioned. LIBRA (Sept. 23-Oct. 22) Today is an 8. A person from far away can provide the perfect solution. You can't figure everything out, nor should you. Get an experienced person's advice. SCORPIO (Oct. 23-Nov. 21) Today is a 6. You're good at managing money, but sometimes you forget. Don't let it slip through your fingers. Save more by trying a different method or product. SAGITTARIUS (Nov. 22-Dec. 21) Today is a 7. Your study, practice and research will pay off soon. Don't lose your enthusiasm. Polish your act. You'll be brilliant tomorrow. CAPRICORN (Dec. 22-Jan. 19) Today is a 7. You'll get more done in the next few days than you have in the previous week. Set goals, concentrate and plow through. Your efforts should be profitable. AQUARIUS (Jan. 20-Feb. 18) Today is a 7. You may soon notice that you have a lot more friends than you thought. They're coming out of the woodwork. You're becoming even more popular. Get used to it. PISCES (Feb. 19-March 20) Today is a 7. Having family over this weekend? If so, there's time to make a few changes you've been thinking about. Use them as your excuse. Invite that really critical person, and you'll be even more empowered.
