Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 25). You're a fighter for truth and justice, and that talent is put to the test this year. You're smart, but you're not long on patience. You've just about had it with a couple of things and won't put up with them any longer. Nor should you. Tell it like it is!

To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19) Today is a 10. Hold on tight and set your course for the stars. Projects started now turn out even better than you imagined. You still have to do the research, but luck is in your favor.

TAURUS (April 20-May 20) Today is a 5. Tempted to do something fiscally foolish? Here are a few clues to minimize the danger. Investing in home and family is the strategy most likely to reap rich dividends. Real estate works, too.

GEMINI (May 21-June 21) Today is an 8. Hand over the reins to somebody who wants to take control, so long as this is a person you can trust. The one who's most noticeable now probably is trustworthy.

CANCER (June 22-July 22) Today is a 5. You may be dragging, but don't let on. An early start gives you a huge advantage. Don't sleep late if it'll cost you.

LEO (July 23-Aug. 22) Today is a 9. You're almost ready to take off like a rocket. But if you do, will you leave something valuable behind? Don't give up anything you can't replace.

VIRGO (Aug. 23-Sept. 22) Today is a 6. You may not be ready to get back to work quite yet. There's an almost overwhelming urge to stay home with family and catch up on the latest news. Maybe you can if you do only the most important tasks.

LIBRA (Sept. 23-Oct. 22) Today is an 8. It's much easier to be a team player now. It's not that they've changed; more likely you've grown. You're ready to play on a higher level.

SCORPIO (Oct. 23-Nov. 21) Today is a 6. There's liable to be an inspection today, or an exam, or an audit. All they want are the facts, and if you produce those, they'll be happy and you'll gain in status.

SAGITTARIUS (Nov. 22-Dec. 21) Today is a 9. You should be able to blast past just about any obstacles in your path. You've done the planning, right? Punch into over-drive! Warp speed!

CAPRICORN (Dec. 22-Jan. 19) Today is a 5. There's almost too much going on inside your head. You could come up with a get-rich scheme that will actually work. Find a quiet place where you can think it over.

AQUARIUS (Jan. 20-Feb. 18) Today is an 8. Do you have a devoted and affectionate partner in your life? Want one? Good prospects should be abundant.

PISCES (Feb. 19-March 20) Today is a 5. You can achieve the goals you've set, but it may take a while. There's plenty of work, and you know where to find it. If you don't, ask around.
