off the mark by Mark Parisi

Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Nov. 27). Travel for pleasure looks great this year, but travel for work leads to problems. That doesn't mean you shouldn't go if you get the right opportunity. Just realize there'll be surprises, plus a few new rules to learn. Check out a relocation carefully before saying you will.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) _ Today is a 8 _ The easiest part is over, now the work begins. Things won't be exactly as you expected, but that was to be expected, too, wasn't it? If it wasn't difficult, it wouldn't be a challenge. Dig in!
TAURUS (April 20-May 20) _ Today is a 7 _ Shift your attention, temporarily, back to romance. The moneymaking project is stalled for a couple of days, but if you're with the right person, you'll hardly notice.
GEMINI (May 21-June 21) _ Today is a 7 _ You may have to race through the house, throwing old pizza boxes into the trash and rounding up the dirty clothes that didn't find their way into the hamper. Want a romantic evening? Do it!
CANCER (June 22-July 22) _ Today is a 7 _ If you're not sure yet, keep your comments to yourself. Don't discuss a change that might never materialize. No need to disrupt the routine yet.
LEO (July 23-Aug. 22) _ Today is a 7 _ You could make a great deal of money. And, yes, there will be hoops to jump through. Are you going to decide you're too good for that? Fine, if you really are.
VIRGO (Aug. 23-Sept. 22) _ Today is a 7 _ You could earn a bonus, possibly for work above and beyond the call of duty. Conditions favor money coming your way.
LIBRA (Sept. 23-Oct. 22) _ Today is a 7 _ Concentrate on follow-through and follow-up. You've made a lot of promises, and now you get to keep them. Better start with a list.
SCORPIO (Oct. 23-Nov. 21) _ Today is a 7 _ Friends often help, but for the next few days their input could be confusing. Don't follow anybody's advice blindly during this time of change.
SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 7 _ Ease off the throttle. Coast for a while. Watch out for hidden dangers. This always happens when you get out into unfamiliar territory. It's the price of success.
CAPRICORN (Dec. 22-Jan. 19) _ Today is an 8 _ You still have to choose your words carefully. Don't reveal everything you know. You may be on the right track, but details need to be filled in. Find the facts.
AQUARIUS (Jan. 20-Feb. 18) _ Today is a 7 _ You've been kind of busy lately. You may not have had the time to check your work carefully. Do that now.
PISCES (Feb. 19-March 20) _ Today is a 6 _ Let a partner help arrange your schedule, but stay involved. He or she can't get it right without your input.
