Horoscope by Linda C. Black
TODAY'S BIRTHDAY (Dec. 3). Your life is like an open book. You haven't held anything back, but this year maybe you should. You're very brave to blow the whistle on something that isn't right, but don't forget that discretion is sometimes the better part of valor. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) Today is a 9. If you act quickly, you can make an important connection. You can meet a person who'll help you expand your options. You don't have to do this in person, though that would be more fun.
TAURUS (April 20-May 20) Today is a 5. Going through the bills may not be your favorite activity, but you're good at it. Be creative and find new ways to stretch your resources. Leave your savings in the piggy bank.
GEMINI (May 21-June 21) Today is an 8. You could develop an attraction so strong that it's practically impossible to resist. If this is a fascinating person who's trustworthy and wise, don't worry. If not, run.
CANCER (June 22-July 22) Today is a 5. Keep your attention on the job at hand, and try not to complain if there are changes. You're a quick learner, and you do much better under stress than people expect. You can handle whatever comes your way.
LEO (July 23-Aug. 22) Today is an 8. All of a sudden you're lit up again. Is it the season, the fact that you're so well loved, or both? Don't hold back when showing your appreci-

Academic Learning Services
MCAT
For the 17th year this winter, the University of Oregon will offer its comprehensive review workshop for the MCAT exam. This program provides the very best materials and instruction at the most reasonable cost including:
