Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Dec. 5). You have amazing powers this year. You're smart, so don't let this opportunity slip away. You can achieve a goal you've had for years. Figure out how to keep the money coming in without working so hard. Now is the time! To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.

ARIES (March 21-April 19). Today is an 8. You're drawing the attention of those in authority. They're thinking you could handle more responsibility. Don't be afraid. Follow an older person's advice.

TAURUS (April 20-May 20). Today is a 7. If you have to get out of town to find the best deal, you'd better go soon. If you must wait for the weekend, Saturday morning at the latest.

GEMINI (May 21-June 21). Today is a 7. You and your mate need to have a talk about money. Do it now, before one of you spends more than the other thinks you can afford.

CANCER (June 22-July 22). Today is a 6. All of a sudden your hero or heroine appears. This wise, competent person is glad to help you carry your heavy load. This could be a friend or a stranger, but for you, he or she is an angel.

LEO (July 23-Aug. 22). Today is a 7. Your recent burst of creativity leads to a lot of great new projects. How will you get them all done? Get organized - now!

VIRGO (Aug. 23-Sept. 22). Today is a 6.

You should be just about finished, and not a moment too soon. Don't worry about perfection anymore. You're close enough. Wrap it up!

LIBRA (Sept. 23-Oct. 22). Today is a 7. You should almost be past the planning stage and the supply-acquisition phase. The doing phase is fast approaching. Look out, world!

SCORPIO (Oct. 23-Nov. 21). Today is a 5. You may be almost out of ideas, but that's OK. There are more ideas that other people have discovered and left for you in books. Keep hunting and you'll find the perfect one.

SAGITTARIUS (Nov. 22-Dec. 21). Today is an 8. You're very persuasive now. Be careful what you ask for, because you just might get it. But here's the rub: You may have to pay for it.

CAPRICORN (Dec. 22-Jan. 19). Today is a 7. You should be able to see the light at the end of the tunnel by now. It's an indication of success, not the train coming. Tomorrow will be even better.

AQUARIUS (Jan. 20-Feb. 18). Today is a 7. You're good at evaluations, but how are you at setting priorities and making snap decisions. You'll soon get to practice.

PISCES (Feb. 19-March 20). Today is a 6. You show your love in subtle ways. You don't always come right out and say it, but people get the message. Make sure an older person knows.
