

Share A Miracle Become An Egg Donor

The Fertility Center of Oregon has helped many couples achieve pregnancy since 1978. We are in need of **Egg Donors** to help infertile women.

Procedures are done in a pleasant local environment over a period of only six weeks, and donors are **compensated \$2500** for their time. If you are a **healthy woman age 21-31** and are interested, call 683-1559 or visit our website at www.WomensCare.com.

program's continuation.

The ASUO Executive recommended a budget cut of 26 percent from the previous year's budget. PFC finally passed a budget in a 4-2-1 vote, allocating OLSPIF \$1,248—a 21.41 percent decrease in funds.

Other groups that received an increase in funding from the PFC included the University of Oregon Men's Center, which received \$300. This is the first year the group requested backing.

Philosophy club UnterGang was given \$332, a 10.68 percent increase from last year. Westmoreland Tenants' Council was given \$3,494, and although the group has existed for years, last year it received no PFC funds. Finally, the Unallocated Reserves received \$10,000, a 100 percent increase.

Those groups that had budgets reduced included the Pre-Dental Club — which received \$205, a 21.46 percent decrease — and the Oregon Future Lawyers Association, which received \$3,526, a 14.65 percent decrease.

News brief

First senate session of term funds conference

In its first meeting since winter break, the ASUO Student Senate met Wednesday night and geared up for the new term by taking care of general housekeeping duties, updating the progress of several committees and hearing a special request from the Student Insurgent.

Representatives from The Insurgent appeared at the meeting to ask the senate to transfer funds from the \$14,439 surplus to help pay for the group to attend an independent publishing conference in San Francisco, and help fund the Against Patriarchy Conference. The group had engaged in previous fundrais-

ing efforts, gaining extra money from other student groups and benefit events, but still fell short of their financial goals.

After extended deliberations, the senate voted to give The Insurgent the requested funding, \$3,314 for the conference, and \$501 for travel and lodging expenses for the conference.

Committee members also updated the senate on their recent developments.

The EMU Board of Directors cautioned that the elevator in the EMU is likely to be replaced because it has been malfunctioning recently.

The Athletic Department Finance Committee said it had received complaints about Arizona tickets not being available.
