Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 24). Are you prepared to accept more responsibility? What else do you need? Another credential? A great opportunity? The support of somebody who loves you? Take it one step at a time. You have what it takes. To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging. ARIES (March 21-April 19) Today is a 9... You're an action-oriented person, but you can be somewhat impetuous. You'll do better if you have a plan and stick to it. A map might help, too. TAURUS (April 20-May 20) Today is a 6... Continue to streamline procedures and save money. Ever think of writing a book on the tricks you've learned? Now is a good time to start... the earlier, the better. GEMINI (May 21-June 21) Today is a 9... You're through on whatever you investigated yesterday. Odds are still in your favor, but they won't be for long. Don't look down! CANCER (June 22-July 22) Today is a 5... Home-improvement projects are a good investment now. The work you do yourself puts money into your pocket. And nothing makes you happier than being appreciated. LEO (July 23-Aug. 22) Today is an 8... It might not be that somebody was lying to you. It might just be that an assumption was false. Give the benefit of the doubt as you make the correction. VIRGO (Aug. 23-Sept. 22) Today is a 5... You've got dreams and fantasies. Just like anybody else. You're just a little more practi-

cal than most. But don't be too shy to push for what you want. LIBRA (Sept. 23-Oct. 22) Today is a 10... Early in the morning, set goals that you're not sure how you'll achieve. Then, make a list of the steps you'll take. Include miraculous interventions when necessary. SCORPIO (Oct. 23-Nov. 21) Today is a 5... You have a talent for choosing exactly the right words. That's why you don't have to use very many. Give the signal, and your vision will materialize. SAGITTARIUS (Nov. 22-Dec. 21) Today is an 8... You're not lacking for a thing, so don't worry about the money. No point in broadcasting how much there is or isn't. Focus on inspiring new ideas, and the rest will take care of itself. CAPRICORN (Dec. 22-Jan. 19) Today is a 5... You can now gain authority, status and income by talking with the right person. Don't be argumentative. Just point out the difficult task you've accomplished, and ask for what you're worth. AQUARIUS (Jan. 20-Feb. 18) Today is a 10... Sail through the day without a care in the world, confident that if one appears, you can handle it. You're more apt to get a lucky break that way. PISCES (Feb. 19-March 20) Today is a 5... Hold your course, do what you should, and have faith. All the pieces should fall into place without much more effort. But if required, push.
