Horoscope by Linda C. Black

TODAY'S BIRTHDAY (Jan. 27). Transformation is the name of the game this year. Keep believing that great things can happen, and don't worry about how. You can participate in solving a problem with global consequences, but not by yourself. It's a team effort.
To get the advantage, check the day's rating: 10 is the easiest day, 0 the most challenging.
ARIES (March 21-April 19) _ Today is an 8 _ The more you learn, the more you realize you don't know. Don't be ashamed; it's just a phase of the journey toward wisdom. You're getting there.
TAURUS (April 20-May 20) _ Today is a 5 _ If you can't get a raise, maybe you can improve your benefits. It's worth a try, and it's worth making a few phone calls. You're very persuasive now.
GEMINI (May 21-June 21) _ Today is a 9 _ How can a charming conversationalist like yourself become awkward and tongue-tied? Don't sweat it. Let the others do the talking, and they'll think you're brilliant.
CANCER (June 22-July 22) _ Today is a 5 _ You're enormously creative now. You have to be, or you'd be totally inundated. Learn to delegate, and you'll be headed for your next million.
LEO (July 23-Aug. 22) _ Today is an 8 _ Be careful _ your idealism is about to carry you away. New changes seem perfect, but are they practical? Keep a lid on expenditures.

VIRGO (Aug. 23-Sept. 22) _ Today is a 5 _ It may seem as if you never have enough time anymore. Loved ones understand, so keep at a tough job till you get it done.
LIBRA (Sept. 23-Oct. 22) _ Today is a 10 _ You can learn whatever you don't know. You may not know it all, but knowing you, you know more than they think you do.
SCORPIO (Oct. 23-Nov. 21) _ Today is a 5 _ Look for ways to increase your income without increasing your output. Amazingly, that becomes possible over the next few days.
SAGITTARIUS (Nov. 22-Dec. 21) _ Today is a 9 _ Your ability to communicate is still lagging behind the awesome insights you're receiving. This is OK _ you'll be called to teach soon enough. Take notes if you must.
CAPRICORN (Dec. 22-Jan. 19) _ Today is a 5 _ Your mind may be racing a mile a minute. Don't ask your body to keep up. Hide away in a private place for some serious contemplation. You may discover that you want to change direction.
AQUARIUS (Jan. 20-Feb. 18) _ Today is an 8 _ You're an excellent team player, and with good reason. You get much farther, faster, that way. Call a meeting and outline new plans.
PISCES (Feb. 19-March 20) _ Today is a 5 _ Some of the orders you receive may not make much sense. But they do make sense, from a bigger perspective. Trust an honest, wise leader, and you'll get to the right place.
