

The prescription for a healthy career.

There is a nationwide shortage of pharmacists. . . . Pharmacists earn starting salaries of \$75,000 and higher. . . . Pharmacists have many career options including community or hospital pharmacy, pharmaceutical industry, long term care and more.

Did you know that if you're a **Pre-Med, Chemistry or Biology** major, then you've probably *completed the prerequisites* for the Pharmacy program? Maybe it's time you found out more about what a career as a health care professional in Pharmacy has to offer you. Take two minutes and call us in the morning. It just may be the remedy you were looking for.
